Coronavirus (COVID-19) - Government Guidance and Support	• Hygiene (The Group) • Facilities (Environment) • Equipment (Club session) • Safety (Lesson)	• Wash hands frequently as part of a clear hygiene regime – before and after Club session. Practice good respiratory hygiene – catch it, bin it, kill it approach, with appropriate disposal. Clean frequently touched surfaces. Ensure tissues, sanitiser and wipes are available for Teacher / Coach to clean surfaces / equipment during club, if needed. • Re-Organisation of workspaces – Hall & Playground in-line with current school protocols, including movement to and from classroom to workspace. Outdoor sessions are recommended wherever possible. Indoor spaces, such as the Hall must be kept well ventilated with doors and windows open to support air flow • All equipment will be cleaned / sanitised at the end of the session before being used again. Pupils allocated individual equipment for the duration of the club, to avoid cross contamination wherever possible. Generic equipment such as benches and tables and frequently touched surfaces will be wiped down / sanitised as required and at the end of the session. • Spatial awareness will be encouraged. Pupils will work in their own zones, wherever possible. Sessions will be modified to minimise contact and sharing of equipment. Team games can be played, providing there is minimal contact. Greater focus on fitness and skill-based development during sessions. Any shared equipment will be stored safely out of the way and cleaned and sanitised before being re-used. Teacher / Coach to maintain safe distance from pupils, wherever possible • First Aid – Teacher / Coach must be First Aid qualified including updated COVID-19 guidance and must follow PPE guidelines and school protocols when administering any first aid during the session.	2 x 3 = 6
