Party Invitations

We appreciate that birthdays and special celebrations bring with them a lot of excitement and fun and we are fully aware that many families will choose not to invite all children in the class to a party. In order to ensure children are not upset by this, please could all parents and children be conscious of how party invitations are given out. KS1 children should give the invitations to their class teacher or TA for them to be put into book bags. KS2 children should give invitations out either before or after school on the playground and this should be done discretely. Thank you for your support with this.

Active Kids 2016

We're collecting Sainsbury's coupons now! Please post into the collection box in the school reception area. The more points collected, the better the rewards, helping our children to keep active!

Artwork Competition

Entries for the artwork competition should be handed in to the school office by next Wednesday 27th January so there is still time to be involved!

Design a picture with the theme of 'Birds and Nesting' using any medium you choose.

Winning entries from each year group will be displayed in Chiddingly Village Shop and a prize will be awarded for the overall winner. Have fun and good luck!
