Heidi Twort

I grew up in Wales and moved to Sussex after studying maths in University. I work as a pensions analyst in Crawley and my hobbies are yoga, pilates, swimming, cycling and the occasional triathlon. I have two very happy children in St Mary's school and always felt that, given the opportunity, I would like to be more involved in the future of the school.

I became a parent governor at St Mary's 2 years ago, focusing on Safeguarding. I have enjoyed the challenges and rewards that the position brings. I am really looking forward to working with our enthusiastic new Pioneer Federation Governing Body to be the best we can be for all the children and the three schools.

Diner of the Week:

For being respectful and polite, showing good table manners and following our golden rules!

This board enables parents/ carers, staff, children and visitors to write positive comments, or thoughts, about their time in school or during events that they would like to share with others.

Please pop in any time to write down something that you would like to share. In the newsletter every week, there will be a picture to share and celebrate the positivity within our school and community.

As always, thank you for your support!

Outdoor Classroom for Thrive

We have sent an application for a grant to help us build a room outside, solely for the use of Thrive. This space is imperative for the school to continue to deliver Thrive successfully; giving us a designatee space to continue supporting children's emotional and social development.

Voting doesn't open until 23rd October, so watch this space for information about how to vote. We'd be grateful if you would spread the word to friends, family and the community so we get as many public votes as possible.

Many thanks for your continued support.

Sycamore School Trip

On Tuesday, Sycamore joined the Year 5 and 6 children from East Hoathly and St Mary's for a trip to the Weald and Downland Open Air Museum. They experienced a Victorian school room and explored houses and buildings from all eras of history. Highlights included meeting some working animals like cows and horses, and asking the museum guides lots of historical questions. Thank you very much to the parents who joined and helped for the day.
