### Wellbeing Poster

We now share a new wellbeing poster with you in the weekly newsletter. This week's poster gives you tips on how to get a stress-free sleep.

### Parking

Please can we ask parents to be mindful of where and how they are parking outside the school. It is vital that cars are parked considerately to ensure the safety of the children and families coming onto school grounds.

In the carpark, please park in the allocated spaces, rather than alongside the hedge whenever possible. Parking along the hedge can often make it difficult for those who have parked in the allocated spaces to get out.

If you are parking on the road outside school, please be mindful of residents' driveways, the entrance to the school car park and the bend in the road. Please ensure plenty of space is allowed for other vehicles to use the road and access turnings.

On busy days, please consider parking in the extended car park area or a little further away from the school entrance and walking to school in order to ensure safety for all.

*If you need the newsletter or other school letters to be in a different format please speak to Mrs Dann in the school office. If you need help or support with access to any information, please also contact Mrs Dann.*

### Learning Powers Certificate

On 21st June at 9.10am the following children will be celebrating their achievements. Please come along if you are free.

Beech - Poppy

Sycamore - Noah

### Diner of the Week:

## Freddie Woodward

For showing an amazing improvement at lunchtime and following the golden rules!

### Student Absence

You must inform us if your child is absent and why. It has come to our attention recently that not all parents are doing this and Mrs Dann needs to account for all students on the registers in the mornings.

Please make sure you call into the school office and leave a message on the absence line, if your child is absent for **any** reason. If your child has an unplanned absence and you haven't already informed Mrs Dann, you must call us as soon as possible that morning.

## Forest School

This week in Forest School, Reception and Year 1 had a 'messy' session outside! They took part in different sensory play activities and games, including playing with slime, muddy puddles and wet sand! They used the wet sand to build some very creative things.

Miss Waterman also set them up with a task of getting water balloons from one end to another by throwing and catching them! Fun was had by all and a big thank you to the volunteers Katie, Sam and Louise, as they didn't mind getting wet and muddy!

The PFCS would like to share with you where the disco ticket money went, where the raffle ticket money went, where the bingo night fee went, or the money you spent at the Christmas fair. So far the following items have been paid for this academic year:

- Pantomime visit to school
- Crackers to go with Xmas Dinner
- £2000 towards the new laptops
- Extension of the car park
- Leaver's Hoodies
- New Starter Teddies
- Forest School Equipment

Without the PFCS and the events they hold, these items cannot be bought to benefit our children. The next expense the PFCS are planning is to replace the Trim Trail which is old and needs replacing. The PFCS can not hold these events without the support from parents/carers/grandparents and the local community.

If you want to get involved please attend the next PFCS meeting on Thursday 11th July at 7:30pm this will be held at school to discuss future events for the next academic year.

As you know, all the money we raise goes straight in to school projects.

When we think of a school, we often think of the building. A school is more than a building. It's the people inside it. The things they learn at school now can help shape their future.

So thank you for supporting their journey.

## Recycle 4 Charity

Please remember the PFCS are collecting INKJET cartridges through Recycle 4 Charity. Brands that you can recycle include HP, Dell, Lexmark, Canon, Samsung, Neopost. Please DO NOT send Epson or Kodak cartridges in our recycling bags as their value will not cover postage costs, instead you can include them in a box collection which is in reception if you have at least 25 items. Inkjet cartridges must be in suitable condition to be recycled. Please check their recycling criteria. They do not accept laser & toner cartridges through this recycling service.

# 7 steps to **STRESS FREE SLEEP**

How many steps do you need to use? Find your level and commit fully to practising your routine.

**3.**

Against each item on the list, write down 1. When you can start taking some action, and 2. When you think the item will no longer be relevant

**4.**

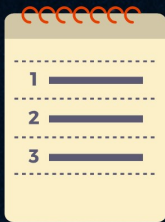

With items that are able to be worked on tomorrow, put a time against when you're going to take some action and what the action will be like

**5.**

With the things that can't be actions tomorrow, put the date when you think you'll be able to start taking action

**2.**

Order the list of things on your mind so you know which thing seems most important, down to the least important

**1.**

Pen and paper. Before you get to your bedroom - listen to your thoughts and write down the main things on your mind

**6.**

Who's your support team? Against any of the items that involve other people, note what you want from them and how they're going to help

**7.**

Now you think you're head is sufficiently clear and you've got a good plan in place for tackling the contents of your mind, go off to bed for a well earned sleep
