## Oak Class Trip to Hastings!

On Monday, the Reception classes from Chiddingly and East Hoathly visited Hastings. There was a buzz of conversation, as the children talked excitedly about eating their picnics on the beach.

Upon arriving in Hastings, the children were particularly excited for our visit to the Blue Reef Aquarium, where they were able to explore the various tanks filled with clown fish, upside down jelly fish and tank full of sharks and sting rays. Whilst there, we were lucky enough to talk to one of the aquarium staff who told us all about puffer fish and then let us witness the feeding of the fish in the big ocean tank! Oak Class had their clipboards and pencils ready and drew some great pictures of the sealife they could see around them.

We then took a walk along the seafront to visit the fishermen's museum and 'life boat station' where we were told how the life boat was pushed into the water, when it was needed. After a busy morning of site seeing the children had lunch on the beach, enjoyed playing by the water's edge, throwing stones into the water, all whilst trying not to get too wet or have their lunch nabbed by seagulls.

Finally we all enjoyed an ice cream before jumping on the coach back to school. All the children and adults had a lovely day exploring and finding out lots of information, the children came up with some great recounts of their day!
