

## Areas to investigate

### KS2 progress trend

- Writing progress was in the top 20% for at least two years for all pupils, middle prior attainers.

### KS2 progress in 2017

- Progress in writing was significantly\* above average and in the highest 10%.

### KS2 attainment

- In 2017, writing and mathematics attainment of the expected standard was at or above national for the middle prior attainment group.

### KS1 attainment

- In 2017, attainment in writing was above average and in the highest 10%.

### Phonics in 2017

- A very large majority of pupils (93%) met the phonics expected standard in year 1.

\*statistical significance based on a 95% confidence interval

The areas to investigate indicate meaningful trends and issues from the data. These are based upon cohorts of more than ten pupils. Progress trend sentences are based on at least six pupils in each year. Progress and attainment figures based upon ten or fewer pupils will be displayed in grey throughout the report. Please note some areas to investigate are based on data not contained in this report. The DfE announced in January, that a methodology change to the way key stage 2 progress is calculated for 2018 results will be made to better account for extreme scores, or 'outliers', and that this will change the progress scores of approximately 1% of pupils nationally (<https://www.gov.uk/government/publications/primary-school-accountability>). In the meantime, Ofsted has carried out initial modelling, and indicated where extreme scores occur based on the 2017 data. This has been indicated in the IDSR areas to investigate.

**Phase of education:** Primary  
**Headteacher:** James Procter  
**Pupils:** 99  
**Gender:** Mixed  
**Special needs provision:**

**Local authority:** East Sussex  
**Admissions policy:** Not applicable  
**Ages:** 5-11  
**Denomination:** Does not apply

Persistent Absence  
% of pupils who missed 10% or more sessions

	2016	2017
School %	15.9	12.4
Nat %	8.2	8.3
Cohort	82	89

■ School    ■ ■ ■ National

All absence indicators are based on three terms of data for mainstream and special schools. Nationals are displayed as per the school phase of education. Special schools have been compared with the national for secondary schools. For boarding schools only day pupils are included.

Fixed term exclusions

% of pupils excluded

	2014		2015		2016	
School %	1.4	1.4	0.0	0.0	0.0	0.0
National %	0.5	0.2	0.5	0.2	0.6	0.3
Number	1	1	0	0	0	0

The national for fixed term exclusions is based on phase of education, such as primary or secondary.

Permanent exclusions

= 1 pupil

Nat  
2016 (0) No permanent exclusions  
2015 (0) No permanent exclusions

The national average number of pupils (Nat) permanently excluded shown in orange is based on phase of education.

	2017 (-)						2017 (-)					2017 (-)				
Disadvantaged	2015 (4)			41			2015 (4)				4	2015 (4)		43		
	2016 (5)			46			2016 (5)				3	2016 (5)				19
	2017 (6)			53			2017 (7)			21		2017 (7)				17

Note: 2015 quintiles and percentiles are based on value added measures; 2016 and 2017 quintiles are based on progress measures. Rank for the disadvantaged section is based on all schools' disadvantaged pupil groups, except for 2016 where it is based on RAISEonline methodology, which measured the group against all pupils. For quintile boundaries, see guidance documents on <https://www.gov.uk/government/collections/using-ofsteds-inspection-dashboard>. Statistical significance for disadvantaged pupils is against the national for other pupils.
