**Wellbeing Poster**

We share a new wellbeing poster with you in the weekly newsletter. This week's poster gives us 10 tips for managing our worries.

*If you need the newsletter or other school letters to be in a different format, please speak to Mrs Dann in the school office. If you need help or support with access to any information, please also contact Mrs Dann.*

## Forest School

This week in Forest School, the woodland was very wet and windy so unfortunately Sycamore Class could not venture over there. Instead, Miss Waterman planned lots of brilliant craft activities and they also had an opportunity to take part in team building games! The team building game they played meant they had to be blindfolded and were only able to get instructions from the person who wasn't blindfolded through hand signals! It meant that they had to trust each other and work as a team to move around!

## Positivity Board

This board enables parents/carers, staff, children and visitors to write positive comments, or thoughts, about their time in school or during events that they would like to share with others.

Please pop in any time to write down something that you would like to share. In the newsletter every week, there will be a picture to share and celebrate the positivity within our school and community.

As always, thank you for your support!

## We Love Reading!

At Chiddingly School, we believe that reading should be enjoyed by everybody and that children (and adults) should have opportunities to lose themselves in a great book. In order to expand our reading experiences, we are asking staff, children, parents and friends of the school to send in 'recommended reads' for us to explore. We would like to know the following information:

- the name of the book
- the author (and illustrator if applicable)
- recommended age group
- Why you recommend the book.

If you'd like to use the template below, please do! Please send your recommendations to the school office and we will share one or two each week in the newsletter. These will then go onto our school website so that you can look back at all the recommendations. Each term, we will then purchase some of the recommended reads for the school library!

We look forward to hearing all about the books you have been enjoying!

# Advice on the coronavirus for places of education

## How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

## How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

## How can you stop coronaviruses spreading?

### If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

### You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

SCHOOL ETC.  
On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: [campaignresources.phe.gov.uk/schools](https://campaignresources.phe.gov.uk/schools)

## What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Wuhan and Hubei Province in China should self isolate, and NOT attend education or work for 14 days. See **NHS.UK** for advice on coronavirus.

If there is an emergency, call 999 immediately
