"Achievement for All, Learning Together, Learning for Life"

Dear Chiddingly families,

It has been a busy week at Chiddingly!

Well done to Year 6, who have completed their SATs, you have all been so brilliant and you should all be very proud of yourselves! We are proud of you. Thank you to the Year 5s for supporting your fellow classmates.

Elsewhere in the school, Oak have been busy learning about under the sea and making clay models from the story 'Snail and the Whale'! Beech have been all over the world on their exploring travels. This week they found out about David Attenborough. Willow have also been busy becoming Romans for the day! East Hoathly came and joined for the day too. They learnt how to become Roman soldiers and created mosaics! It was really fun seeing all children from both schools being Romans and learning about life as a Roman .

It has been a busy term so far! We look forward to hearing more about each classes learning as the term continues.

Miss Frankel

Upcoming School Lunch Changes

1) Thursday 19th May—Census Day. Fish fingers and Chips or Tomato Veggie Burger.
Please make orders on ParentPay using Friday's order day.

2) Friday 20th May—Sports Day.
Baguettes only—

Class Updates

Oak

One of the things Oak Class have been looking at is the book the Snail and the Whale. They all made their own clay model of the 'tiny snail on the tail of the great big grey-blue humpback whale'. They wrote postcards to someone pretending they were the snail on the adventure describing what they can see. They then used water colours to paint the setting. We took a photo of their clay model in front of their background to put on the front of their postcard.

Beech

Beech Class have been busy exploring over the last few weeks! They visited a cave, found out about animals in the Amazon and have been growing their own cress. They have been enjoying using their Garden Centre in the outside area!

Willow

Willow Class had a fantastic Roman Day last week! The company Hands on History came into school with numerous artefacts and replicas in which they creatively showed the children. They learnt of where the Romans fit in the historic timeline first, with fascinating objects from each main era. They also learnt about Roman jobs and how they learnt to make fire! After that, the children got to partake in a battle (against the teachers!) where they got to hold Roman shields and march in formation. The afternoon started with learning about what the Romans wore (dressing up the teachers!) and how they cured people if they were ill. And the day finished with a gory finale where poor Mr Lulham (East Hoathly's Year 3 and 4 teacher) had his leg amputated (a dramatic illusion of course)! Overall, they had a brilliant day not to be forgotten!

Sycamore

Sycamore Class have been busy revising recently and took part in a word class sorting activity in groups in Literacy. They have also been practising their athletic activity skills in PE with Mr Brett.

Forest School (This Week)

Willow Class took a lovely walk to the woods this week. They went through the woods following the footpath and even went as far as the cricket field! They made journey sticks, so they collected all kinds of things from the floor (including dead leaves/wild flowers) to mark the sticks with and tell the story of their walk. Once they got to the cricket field some children played rounders, some made paper fortune tellers and gave themselves different actions based on nature e.g. hop like a rabbit, whilst other children just took in all the beautiful scenery and nature.

Dates For Your Diary!

May 2022

17th Willow swimming lesson

20th Sports Day

24th Willow swimming lesson

26th Jubilee Day

27th End of term 5

June 2022

East Hoathly Family Fun Run

Join the CLA for free interactive Countryside Code games and workshops at the South of England Show!

The South of England Show is back for 2022 – and you are invited to visit the Country Land and Business Association (CLA)'s marquee for games and a live workshop.

Are you ready to take on our 10-second Countryside Code challenge?

On Saturday, 11 June (the middle day of the show) we will have an interactive game at the front of our stand. There will be a big photo of a rural scene containing five things which break the Countryside Code – if you can find all of them in 10 seconds you will be victorious and can claim a prize.

We will also be running short workshops at **11AM** and **3PM** on the same day. Last year the CLA, which represents farmers, landowners and rural businesses, teamed up with LEAF Education to produce resource packs for schools and youth groups to promote the code, and we will be bringing the packs to life on our stand by running live workshops and games with children.

So please join us at 11AM and 3PM for short workshops run by LEAF and CLA specialists who will have games, quizzes and activities for families. While the sessions will primarily be aimed at those aged between 6 and 12, the content can also be tailored younger or older – all ages are welcome.

We look forward to seeing you on 11 June – the CLA marquee is on the main Ardingly Ring. For more details please call Mike Sims at the CLA on 01264 313434 or email mike.sims@cla.org.uk

The South of England Show runs from Friday, 10 June to Sunday, 12 June and is at Selsfield Road, Ardingly, West Sussex, RH17 6TL.

The course was very well laid out, holes are challenging enough to make it a good game. Wall art was amazing as were the decorations, music added to the atmosphere. We will be back so I can win next time.
