

Dear Chiddingly families,

What a great week it has been, lots of children have been talking about their learning in their new topics and have been keen to share their work with other classes and adults. This week in our celebration assembly the PFCS joined us to share the results from the Sunflower competition, the children were amazed to see the tallest sunflower which stood tall at a whopping 371cm! We even had a life sized version of it for the children to measure themselves against at playtime. A huge thank you to all the children and adults who joined in with this event and the PFCS for their continued support within our school. We also welcomed Tina from the village shop who celebrated the winning postcards for their competition, the chosen designs were beautifully drawn. It was a great way to finish our week with lots of celebrations! Mrs Mackarness

Skills Builders (Next Two Weeks)

You are welcome to join us in our celebration assemblies on Fridays at 9.15am.

The following children will be celebrating their Skills Builders in the next two weeks:

Friday 7th October

Harry in Oak Penelope Poppy B Max G

Friday 14th October

Helen Harry in Beech

Lia Amelie

Vacancies

We are looking for a dedicated Caretaker(s) to help keep our East Hoathly, Chiddingly, St Mary's and Park Mead premises looking their best.

Please see our school website for more details.

Beech Class Request

If you have any large, strong cardboard boxes, we would be grateful for you to donate them to us to use for making puppet theatres.

Lunch Menu Changes

On Thursday 6th October it is our school census. To encourage as many children to have school dinners as possible on this day, the lunch options have changed. Friday's menu of fish fingers and chips will now be on Thursday. Thursday's menu of Cottage pie will now be on Friday 7th October. As Chartwells cannot change ParentPay, please book as normal but be aware that Thursday and Friday's lunches will be swapped. Any questions please ask Mrs Dann.

Our Harvest Festival is on **Wednesday 12th October**. We will also be having a different lunch menu for this day. This won't be bookable on ParentPay. Instead, please book your child's lunch option on the following Google form: https://forms.gle/TZKy6MKtWE7CjYFw5

If you need the newsletter or other school letters to be in a different format, please speak to Mrs Dann in the school office. If you need help or support with access to any information, please also contact Mrs Dann.

BREAKING SUNFLOWER NEWS @ .

The winning entries for the 2022 PFCS sunflower growing competition were announced this morning at Friday's celebration assembly. We are delighted to let you know that these are......

- Tallest sunflower: Wilfred with a gigantic 371cm
- 🏅 Largest sunflower head: Rosa with an incredible 34cm
- Y Most sunflower heads on one plant: Oak Class with an astounding 22+
- Best sunflower name: Penelope for 'Summer' this category was judged by the Chairman of Chiddingly Horticultural Society, who said "I think the winner should be 'Summer'. We had a good, long, hot summer this year and sunflowers are cheerful and summery and would have loved following the sun through the sky".

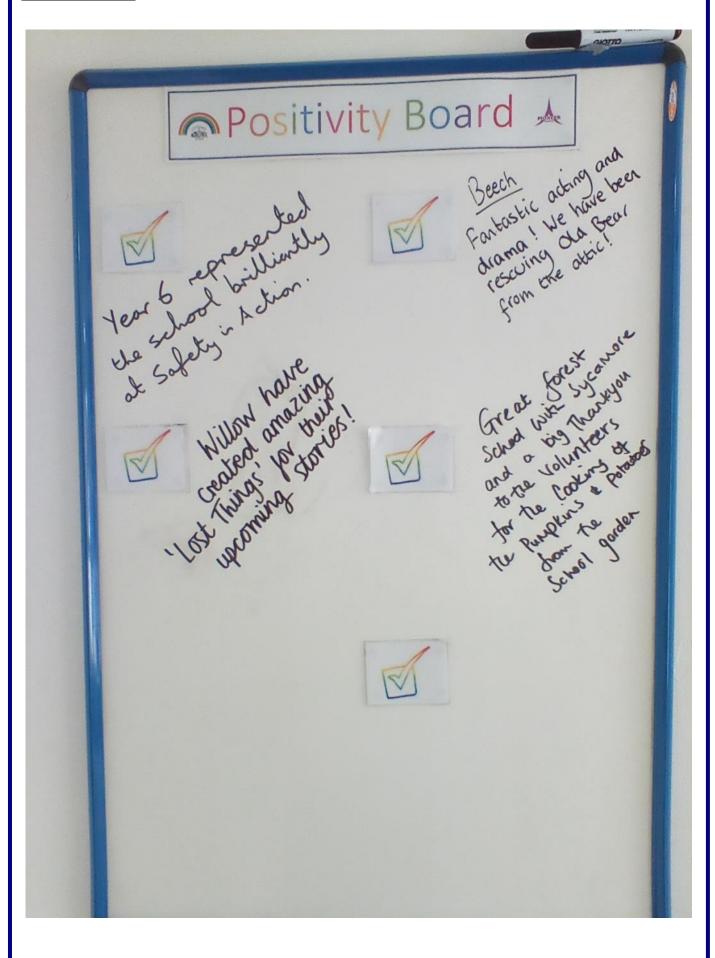

Best photo with or of your sunflower: Amelie - this category was judged my Mrs Vile, who said "Sunflowers represent summer and are known as the happy flower, and this picture made me smile!"

Our prize winners received a certificate, British wildflower seed bombs and a mini cactus or succulent plant to take home. The PFCS would like to thank everyone who took part in and supported the event this year. We really hope

you enjoyed it! 💙 🚏 💟

Class Updates

<u>Oak</u>

Oak Class have been sharing their treasure boxes with each other. They have really enjoyed buddy time and showing their buddies all around their classroom and outside area. They have also been practicing their phonics and have already learnt 8 sounds. The focus of this week in maths has been number 3.

<u>Beech</u>

In Beech we have been continuing with our 'Toys' topic and the children have been very excited to make their own wooden spoon puppets. They designed them and will be making their own settings for a puppet show!

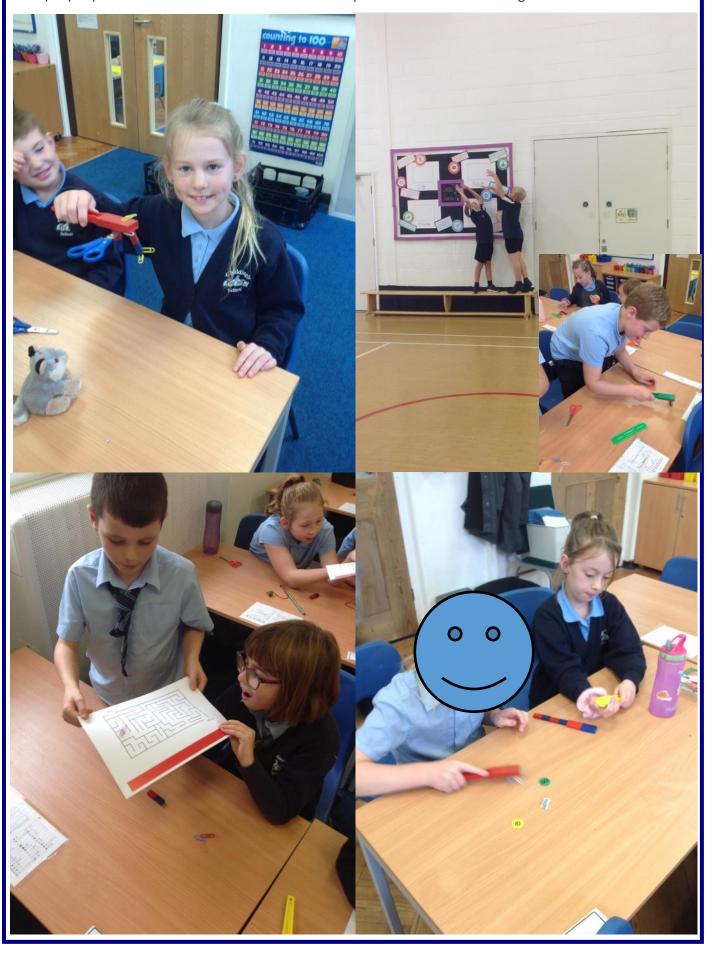

Willow

The children have begun experimenting with forces, and explored magnets together. They have thought about the function of magnets, and other forces, in different inventions and related these to our everyday experiences! Our drama skills have also helped us extend our learning across the curriculum.

Sycamore

Year 6 went on their first trip of the year on Tuesday 20th September to Safety in Action held at Newhaven Fort. They took part in a variety of safety activities and scenarios, including the Police, Fire Brigade, Ambulance service, road, rail, water and electrical. The pupils represented the school brilliantly and thanks also to all the families that could support with lifts for the children. Back at school, Year 5 got to explore more marble run set-ups in DT.

Forest School (This Week)

This week, Sycamore went to the woodlands and made art of natural materials (like David Goldsworthy). They made dogs out of logs, bridges and dens. They used all sorts of materials like branches and wet leaves!

Last week, Sycamore Class fit in a lot at Forest School! Including: pond dipping, building dens, playing in the mud kitchen, bug hunting and whittling. They also cooked potatoes (from the school garden!) and

Harvest Festival 2022

Our Harvest Festival is on **Wednesday 12th October 2022 at 9.15am**. As with previous years, we will be collecting donations for Hailsham Foodbank. Please visit their website for ideas of what items they are in need of: https://hailsham.foodbank.org.uk/. Any donations will be most appreciated. Thank you!

We will also be having a different lunch menu for this day. This won't be bookable on ParentPay. Please book your child's lunch option on the following Google form: https://forms.gle/TZKy6MKtWE7CjYFw5

Please note that Chartwells are unable to swap the menu on ParentPay for this day so please book as normal but be aware that Thursday and Friday's lunches will be swapped. Please encourage as many Key Stage One children to eat lunch on Thursday 6th October as it affects our school funding.

SC-TR.imms-team@nhs.net

Dear Parent or Guardian

School Based Influenza Nasal Spray Vaccination Programme 2022-2023

The Influenza nasal spray vaccination is offered annually as part of the national programme for vaccination of children and young people. This academic year the vaccine will be offered to children in all year groups from Reception through to Year 6.

The nasal spray flu vaccine is safe and effective in helping to protect children against flu.

Flu is caused by the influenza virus, which children can catch and spread easily. It can be a very unpleasant illness for children, which can lead to serious problems, such as bronchitis and pneumonia. Vaccinating them also protects others who are vulnerable to flu, such as babies and older people.

The vaccination is given as a simple, quick and painless spray into each nostril.

Contained within this letter are some frequently asked questions and useful information about the vaccine, and the virus it protects against.

Further information is also available on the NHS Choices website www.nhs.uk.

Please take this opportunity to check that your child's routine vaccinations are up to date. You can check this with your GP Practice. If you have any questions, you can also contact the Immunisation Service or your School Nurse.

How do I give consent for this vaccination?

Complete the steps below, before the closing date and time, to consent for your child to have the Influenza nasal spray vaccination.

Your online consent form closes at 11am 4 working days before your session date, which can be found in the accompanying email from your child's school.

- 1. Click on the following the link: www.susseximmunisations.co.uk/Forms/Flu
- Enter and confirm your preferred email address you will receive a confirmation email following submission of the consent form.
- Enter your school code and click 'Find School': School codes are unique to each school and site. Use the code found on this letter, to avoid delays with vaccination: SX114391
- Check the school name matches the school your child attends: Chiddingly Primary School
- Complete and submit the consent form, indicating your choice of consent Please ensure you provide the child's registered address and GP.

If you are unable to complete the online form, do not want your child to have this vaccination, or wish to change your consent, please read the frequently asked questions for how to proceed.

We hope that the information provided helps you to make a positive decision about protecting your child and the wider population against this virus, for which vaccinations are readily available.

Yours sincerely

	Thank you very much for your time and support.

flu: 5 reasons

to vaccinate your child

1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed

The nasal spray is painless and easy to have

4. It's better than having flu

The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare

Children's Services

Alison Jeffery

Director of Children's Services

6 September 2022

Dear Parents and Carers

We hope that you and your children had a relaxing summer holiday and are settling back into the school routine. We really value the support that you give to your children and their education. As we begin the new school year, we want to ensure that everyone makes a positive start to the year and can get the most out of their learning.

Headteachers and Principals have worked with their staff to get ready for the school year and to welcome children back to the classroom. Good attendance at school and college is important for successful learning and it also provides wider benefits for your child's development and wellbeing. Getting children and young people into good school habits now will help them maintain this throughout the year.

The national approach continues to be that we are 'living with COVID-19'. Schools and colleges adapted to this during the spring and summer last year and you will be used to what this means. There are simple things you can do to help reduce the spread of COVID-19 and other respiratory infections (such as flu). This will help to keep everyone in school and also to protect those at highest risk. These include:

- Getting yourself and your children vaccinated (including Autumn COVID-19 booster where eligible)
- Practising good hygiene such as washing your hands and following advice to 'Catch it, Bin it, Kill it'
- Consider wearing a face covering in crowded, enclosed spaces
- Following <u>guidance</u> for people with symptoms of a respiratory infection including COVID-19, or those with a positive COVID-19 test result.

The guidance says that children or young people (aged 18 or under) who test positive for COVID-19 should try to stay at home and avoid contact with other people for 3 days. This starts from the day after they did the test.

Thank you for your continued support for your child's education, particularly through the last few years where the challenges of COVID-19 have been difficult for us all.

We look forward to a positive year ahead.

Yours faithfully

Darrell Gale FFPH Director of Public Health Alison Jeffery Director of Children's Services
