"Achievement for All, Learning Together, Learning for Life"

Dear Chiddingly Families,

Everybody has worked so hard during this busy term! Well done to all the pupils, but in particular the Year 6 children for their resilience and hard work during SATs week. Sycamore Class also had a brilliant residential trip this week to celebrate their achievements!

As we head into half term, please remember that Monday 3rd June is an INSET Day, so we look forward to seeing you all on **Tuesday 4th June**. Please make sure children wear their smart school uniform to school, ready for class photos on this day (weather permitting!). If your child usually wears their PE kit to school please bring it along to change into later instead.

We can't believe we will be going into Term 6 already! Hoping you all have a happy, safe week off and finger's crossed the sun stays out. Mrs Dann

Reminders

- Please can you make sure you email/call the School Office and do not email staff directly. Our Communications Policy can be found on the school website if you are unsure who to contact and how.
- Please make sure you complete the GoogleForm for class photo consent, otherwise your child will not be in the school photographer photos first day back: <https://forms.gle/cuBVBtNq6Wv4hAaz8>

Class Updates

Oak

Oak travelled to Africa for 'Handa's Surprise' and created our own patterned textile designs inspired by our interests, fruit, vegetables and nature. We had a look at how our lives differ to those in other countries and learnt lots about other cultures. This week we have been investigating minibeasts, going on bug hunts, writing fact files, making bee's and learning about pollination!

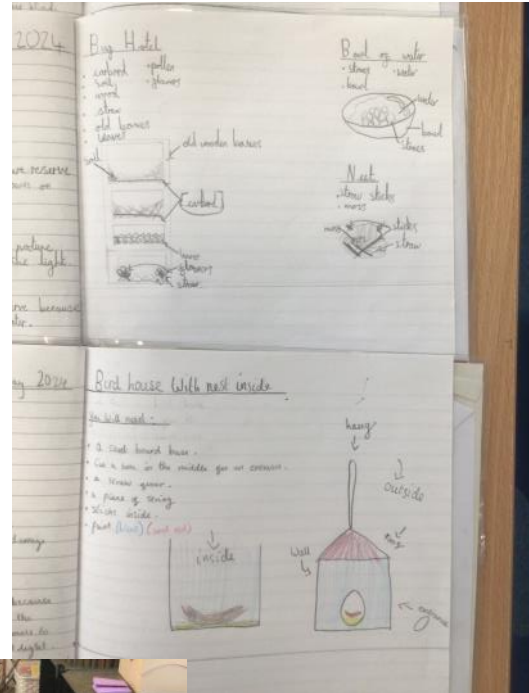

Beech

Beech Class went to the beach! And what a great sunny day we had. The children loved being outside and turned into explorers for the day. We explored habitats to find what animals live on the beach and how they survive. We built our own tides as we learnt about how they work. We got stones and (plastic!) animals to build this! For some calm time, we made stone art and decorated some with special pens to take home a memory. Thank you for a fab day Beech Class... all your adults had a wonderful time with you.

Willow

This term and last term, in Science, Willow Class have been learning about plants and looking after the animals in our environment. They were inspired by this and have started making their own class garden. Last week Willow came up with ideas for what they could make to help the local wildlife. They have collected lots of things from home so they could build some of their ideas this week. Thank you everyone for your kind donations!

Sycamore

Sycamore Class have had an amazing time away at PGL Windmill Hill on their residential trip. They took part in ten activities ranging from climbing and archery, to raft building and aeroball and the group were fantastic with lots of memories being made (and songs never to forget!).

Library Summer Reading Challenge

The Challenge will begin in libraries on **Saturday 6th July** and end on **Saturday 7th September**.

To take part in the Challenge children need to read six books of their choice that they have borrowed from the library or downloaded from their [e-book library](#) over the summer holidays. They are given rewards for each book they read and a certificate and medal if they manage to complete the Challenge.
