"Achievement for All, Learning Together, Learning for Life"

Celebrating a Year of Success at Chiddingly Primary School

As we reach the end of another incredible school year at Chiddingly Primary School, we want to take a moment to reflect on our journey and celebrate our achievements. Our core values of ambition, kindness, and community have guided us through a year filled with growth and success.

Ambition:

This year, our pupils have demonstrated exceptional ambition, achieving outstanding results in academics, sports, and the arts. Their hard work and dedication have been truly inspiring, and we are proud of each and every one of them.

Kindness:

Kindness has been the cornerstone of our school culture. Our students have engaged in numerous acts of kindness, from supporting local charities to helping their peers. Their compassion and generosity have made a significant impact on our school and the wider community.

Community:

Our sense of community has flourished, thanks to the unwavering support of our families, staff, and local partners. A special thank you goes to the **Parents, Friends, and Carers of Chiddingly School (PFCS)** for their tireless efforts and contributions. Your support has been invaluable in enriching our students' experiences and fostering a warm, inclusive environment.

We are also incredibly grateful to the **Hughes Education Trust** for their generous contributions, which have significantly enhanced our curriculum and provided our pupils with enriching learning opportunities.

To all the families of Chiddingly School, your involvement and encouragement have been instrumental in our success. Your commitment to our community is deeply appreciated.

Finally, a heartfelt thank you to our dedicated staff. Your passion, hard work, and commitment to our pupils' well-being and education have been the driving force behind our achievements. Together, we make such a fantastic community.

As we look forward to the next school year, we remain committed to nurturing ambition, kindness, and community in everything we do.

Thank you for being a part of our journey.

Wishing everyone a restful and enjoyable summer break. We can't wait to see you all in the autumn term!

Mrs Vile

If you need the newsletter or other school letters to be in a different format, please speak to Mrs Dann in the school office. If you need help or support with access to any information, please also contact Mrs Dann.

Skills Builders (Last Week)

Congratulations to the children below for receiving their skills builders last week.

Reminders

- On Monday 22nd July we will be celebrating the Paris Olympics. Can all children please come to school in their PE kit with a top in the colour(s) of the Olympic rings.
- Please can we ask for all reading books to be returned by Friday 19th July. A massive thank you for all the donations this year: the library is looking fabulous!
- Please bring in a named plastic bag next week for your child's books to go home in.
- A reminder that the menu has changed for Tuesday 16th July, however, you should be able to choose the new options on ParentPay. Please bear in mind the hot dog is a veggie sausage.
- Please ensure all debt is cleared on ParentPay for trips, breakfast club and school lunches by Monday 21st July.
- If your child is currently in Year 2 and going into Year 3 in September, please remember you will have to start paying for school lunches, unless they receive Free School Meals.
- Please complete the following two GoogleForms before 1st September 2024 for all children at Chiddingly Primary School. <https://forms.gle/TehHBve4KmagHEMc6> <https://forms.gle/KrYHKCzL8ibVimST7>
- Please take home any medicine, including inhalers, that your child has in school before the summer holidays begins. It needs to come back in September with a new medicine form completed and if your child has asthma we will also need an updated asthma card to go with it please.
- There are no afterschool clubs next week. Clubs for term 1 will be available to book the first week back but they will not start until week commencing 9th September.
- Hoping you have a fun, safe summer holiday and we will see you on **Wednesday 4th September** and the new Oak Class on Friday 6th September!

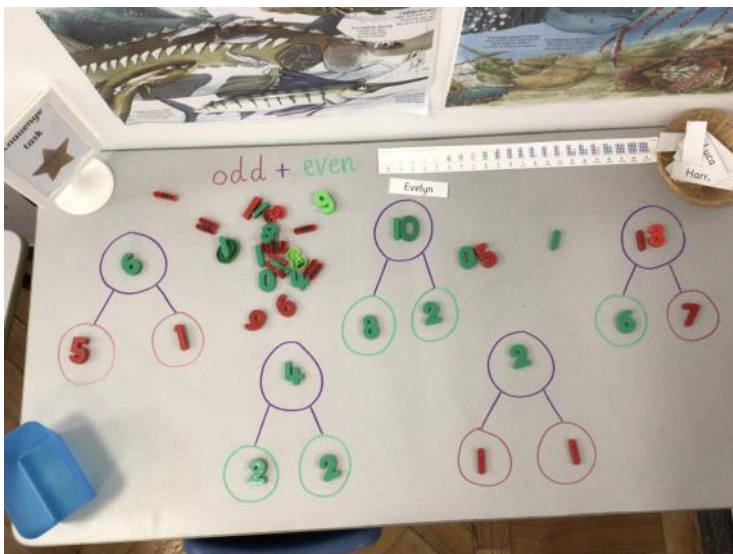

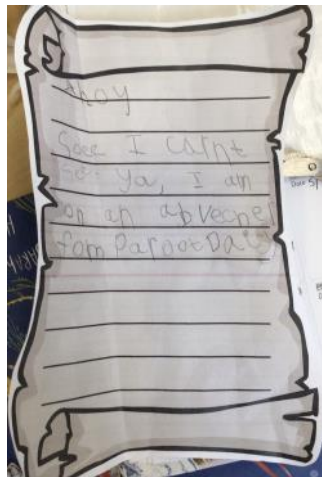

PARIS 2024

Class Updates

Oak

Oak Class have enjoyed the last weeks as pirates, exploring the different seas, writing messages in bottles, building ships and crafting our own parrots. We have explored the lifestyles of pirates, learnt sea shanties and read about famous pirates! This week we also enjoyed a trip to Brighton Sealife Centre, where we observed the animals, watched the shark and turtle feed, participated in a beach clean and enjoyed a picnic!

Beech

Beech Class have had a very busy few weeks, from investigating which materials keep water in the castle bucket in science to using positional language and moving objects in maths. They finished their topic this week with a Kings and Queens day where they took part in making jam tarts and acting out different battles they have learnt about this term!

Willow

This week Willow Class have been writing and starring in their own script based on the stone age book UG. They worked really well as a team to write their script and spent time practicing and getting into character. Here are some photos from their performance. After filming we watched them as a class and shared what we loved about them.

Sycamore

A couple of weeks ago, Sycamore Class enjoyed a great Vikings day with the Hands on History company and children and staff from Park Mead School. They took part in a multiplicity of events, ranging from looking at weapons and artefacts, to dress-up and surgery. They even got to take part in a battle re-enactment!

Craft Club

Wow what a fun last couple of weeks at craft club for this school year. We have been busy making all sorts from masks, to jellyfish, fans to fairy houses! Here are some of the 'craft clubbers' modelling their one of a kind masks and hand decorated fans. Fingers crossed for a sunny summer holidays where those fans will come in handy!

Miss B

Year 3/4 Football Tournament

A big thank you to Active Education Sussex for organising the recent football tournaments here at Chiddingly. The Year 3/4 participants for Chiddingly worked so hard as a team and they looked so smart in the football kit!

Dates For Your Diary

July 2025

21st—Term 6 ends

22nd — INSET Day

Library Summer Reading Challenge

The Challenge will begin in libraries on **Saturday 6th July** and end on **Saturday 7th September**.

To take part in the Challenge children need to read six books of their choice that they have borrowed from the library or downloaded from their [e-book library](#) over the summer holidays. They are given rewards for each book they read and a certificate and medal if they manage to complete the Challenge.

**Beautiful
Noise** transformation
through music

Introducing Studio Ninja

Developed in collaboration between Red Butler Music School and the charity Beautiful Noise, Studio Ninja is a music tuition programme designed to introduce young people to the basics of songwriting, as well as digital music recording and production tools, in a fun and collaborative learning environment.

Studio Ninja is delivered as a weekly, hour-long course featuring ongoing tutor-led learning. During the course, we might also explore physical instruments like drums, guitars, keyboards, singing, and the ukulele.

Club Cost - £8.00 per session or £24 per month. A number of funded places are available for children with special educational needs and disabilities and those eligible for free school meals.

Timings – Mondays after school 3.30 – 4.30pm

From Term 1, the course structure is as follows:

- **Weeks 1 and 2:** Introduce the elements that make up a music track, song structures, and the role of digital music tools in capturing and manipulating sounds. This section uses Chrome Music Lab, which makes it easy to create music and practise at home.
- **Weeks 3 and 4:** Build on the skills developed, using BandLab to allow for greater creative expression by constructing songs with multiple tracks, utilising a wider range of instrumentation, rhythms, and effects.
- **Week 5:** Introduce the extensive library of samples and loops available in BandLab, enabling students to build tracks from pre-existing beats and samples.
- **Week 6:** Bring all the learning together, providing young people the opportunity to develop and showcase their tracks at the end of the term.

A SUPER FUN MUSIC EXPERIENCE WITH PROFESSIONAL MUSICIANS

Get ready for an unforgettable week of music exploration and learning, led by our team of expert tutors. With 4 - 6 professional music tutors on-site, children will embark on an exhilarating journey, discovering the world of electric instruments in a band setting.

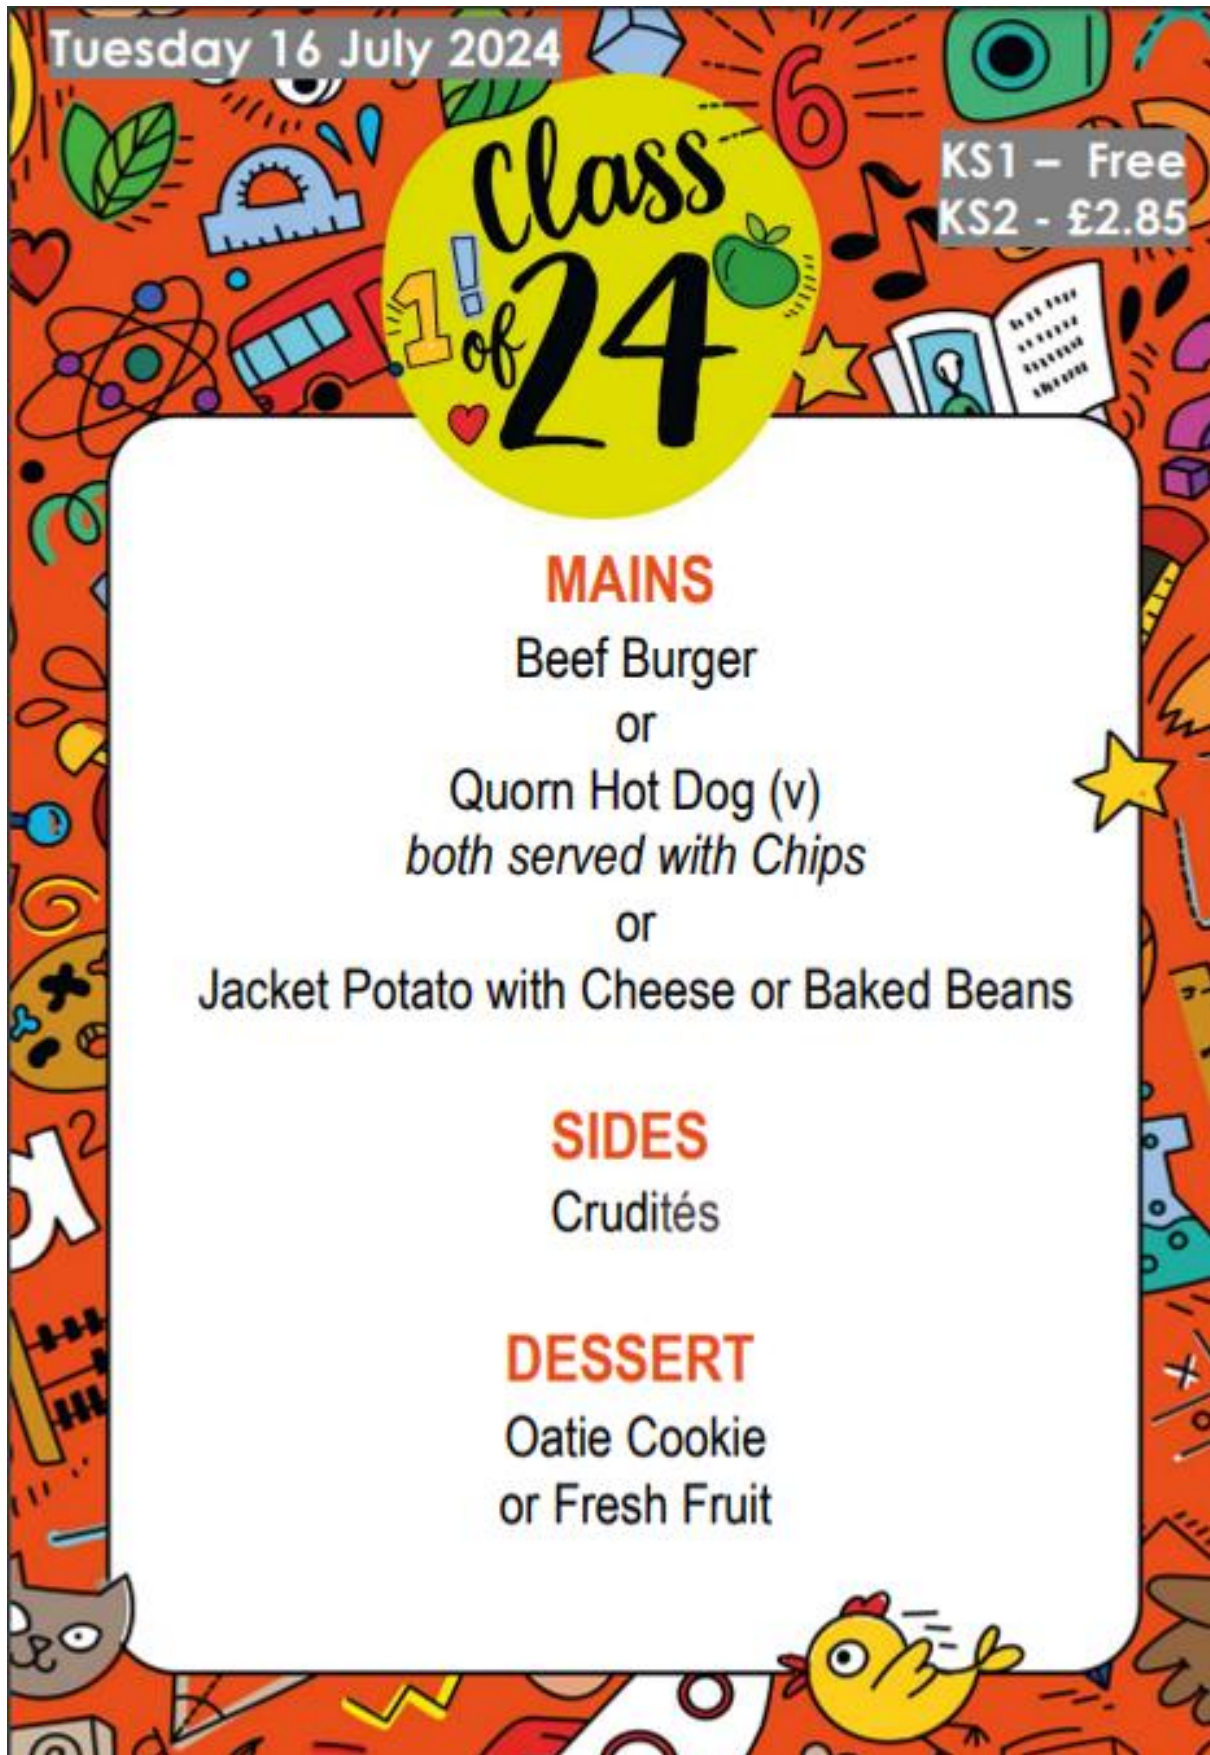

Our program encompasses a wide range of instruments, including electric guitars, basses, keyboards, vocals, and the heart-pounding rhythm of drums. But that's not all; we warmly welcome the inclusion of other instruments like ukuleles, cellos, violins, and mandolins, a diverse and harmonious musical experience for all. Join us for a week filled with laughter, creativity, and the thrill of making music with friends! 🎸🎹🥁🎤🎸🎵🎧
