

Term 6

Dear Parents,

For our final term we will be continuing in the exploration of Ancient Greece. We will be developing our learning into the Olympics, finding out what sports took place.

Reading	Please read with your child at least three times a week at home and ensure this is recorded on Boom Reader. A member of staff will be checking this on a Friday.
LEXIA	Please ensure your child is completing at least 20 minutes of LEXIA each week as part of their homework. This combined with the time we do in school will support them in many areas of their learning. Reading, comprehension, grammar and spelling and much more.
Times Tables	Please can children be practicing times tables regularly, one of the ways children can do this is by using timetable rock stars. This is also part of their homework and will massively support their maths skills.

Helping to enrich our topics

It is always great to have items or visitors that support our topic, so if anyone has any experience or items that may help us with any of this term's theme or would enhance the children's learning, please let us know!

Questions you could ask your child about their learning this term:

- **What were the activities of the ancient Greek Olympics?**
- **How does sound travel?**
- **What is different about modern Greece to Ancient Greece?**
- **What can we learn from Ancient Greek artefacts?**

Reminders – Please can you make sure your child brings in a water bottle each day with fresh water, ensure all jumpers are labelled and bring a raincoat if necessary. As the weather is getting warmer please also ensure your child brings a sun hat to school every day. PE is on a Tuesday and Wednesday for all children. Please send your child in wearing their PE clothes, in line with school policy.

Many thanks for your continued support,
Miss Boswell and the Willow team
