GROWTH MINDSET

Growth Mindset Success Story

Thierry Henry

When Thierry Henry first moved to Arsenal, he did not score for 8 whole games. This gave him low confidence and a sense of failure. At the time, he said "I've literally had to go back to school and be re-taught everything about the art of striking". Through all his hard work and practice, he went on to hold the record for most goals scored for Arsenal (he scored 228 goals overall for the team)!

"Amateurs call it
genius, masters
call it practice."

Thierry Henry

FPTA News

School Staff link with FPTA

Miss Denney and Miss Lewis are the staff links for the FPTA. Please see them if you have any items to discuss about FPTA.

The FPTA met for the first time this academic year to plan what events we will be holding this year (and what they will be raising money for). We will soon be asking what is on the children's and staff 'wish lists'.

Already this year the FPTA will be funding:

- *Monkey bars for the trim trail
- *PA system
- *Transportable stage
- *School and nursery pantomime to be provided by a touring company
- *iPad and cover for the nursery.

Winter Wonderland (Friday 9th December 16 3:15-6:00pm)

We will be holding our incredible raffle, auction, crafts, games and LOTS more!

Christmas Merchandise

Children will all be given the opportunity to design their own Christmas card (which can also be printed onto other merchandise).

We will also be producing a shopping bag which will feature all the children in school and nursery.

Film Nights

The committee would like to run some sociable activities for the children over the next year. Date tba.

Mrs Turk

We would like to inform you that Mrs Turk is leaving the school on Friday 21st October. We would all like to wish her all the very best in her new career at BMW. I'm sure some of you will continue to see her at Bacon Butty Club.

Forest School

Next term's forest school sessions will be for Years 1 and 2. Please can all children bring in their forest school kits from Thursday 3rd November.

Interesting Word of the Week

Each week there will be an interesting, useful but unusual word for the community to get to know. We will select a word and provide a definition for it. Pupils will be asked by Miss Lewis and Mr Procter in Friday's assembly what the word is and what it means. They will ask them to put the word into a sentence to show they have understood the meaning. This is to help build up pupils vocabulary through the year.

This week's words are:

A clause, typically introduced by a conjunction, that forms part of and is dependent on a main clause (e.g. 'when it rang' in 'she answered the phone when it rang').

Term 2 Topics

Reception

Our topic next term is 'Noisy Nightlife'. We will be spending time learning about nocturnal animals and winter celebrations such as Bonfire night, Remembrance and Christmas. Our key texts will be Peace at Last, Owl Babies and The Jolly Christmas Postman.

Year 1 and 2

Our topic next term is 'The Super Seasons of Stickman'. We will be basing our learning around the changing seasons in Science and on the book 'Stick man' by Julia Donaldson. We will also be learning about our local area and East Hoathly Carnival. If the children have any pictures, photos or writing about any of these themes it would be lovely to share with the class. Every Thursday afternoon this term we will have Forest School so please can the children bring in their forest school kits.

Year 3 and 4

Next term, Year 3/4 class are learning about Ancient Greece. We will be reading myths and legends of Ancient Greece.

If you have any artefacts around Ancient Greece we would love to explore them in class!

Year 5 and 6

In Year 5/6 class next term, our topic will be The Victorians, with a focus on our local area in The Victorian times. We will be using 'The Street Child' by Berlie Doherty to help us make comparisons between the lifestyle then and now.

If you have any Victorian books or artefacts, we would love to share these in class.

Year 1 and 2 Recreation of the Fire of London!

On Tuesday 19th October, Year 1 and 2 recreated the Fire of London. They described what happened afterwards.

"First we put our home made houses close together. Then Mr Herdman lit the first house. Next the fire spread to the next house and spread along the line of houses. The wind helped the fire to spread. Finally all that was left was ash and the fire died out. We knew our houses were being burnt but we could imagine that in 1666 the people would have been really sad."
