Interesting Word of the Week

Each week there will be an interesting, useful but unusual word for the community to get to know.

We will select a word and provide a definition for it. Pupils will be asked by Miss Lewis and Mr Procter in Friday's assembly what the word is and what it means. They will ask them to put the word into a sentence to show they have understood the meaning. This is to help build up pupils vocabulary through the year.

This week's word is:

Definition:

1. Springing back; rebounding.
2. Returning to the original form or position after being bent, compressed, or stretched.
3. Recovering from adversity.

CLASS TOPICS

Please see class newsletters for more information on this term's topics.

Reception

Our topic is 'Off We Go!' where we will be learning about different types of transport and the journeys that they can take us on. We will also be looking closely at how transport such as cars, buses and planes have changed since they were first invented. As well as this, we will be taking a close look at places we have visited and how we got there!

Year 1 and 2

Happy New Year! I hope you all had a great Christmas! This term we are beginning an exciting new topic- *Who's in the Book?* Following the success of 'Stick Man' in Term 2 we will be using Julia Donaldson's 'Charlie Cook's Favourite Book' as a hook for our learning this term. We will explore a range of characters including pirates and dragons and different story genres. We will also be investigating animals and humans in our Science topic.

Year 3 and 4

In Term 3, Year 3/4 class are learning about America! We will be looking at the geography of North and South America. We will be looking at non-fiction writing in the form of books, magazines and leaflets.

Year 5 and 6

I hope you have had a lovely Christmas holiday! Our topic for term 3 is 'The Shang Dynasty of Ancient China' and the geography of China. We will be reading a variety of Chinese folktales and reading 'The Firework Maker's Daughter' by Phillip Pullman during our guided reading sessions. We will also be learning about dragons and doing some creative writing based around them!

On **Friday 27th January**, we will be celebrating Chinese New Year! We will spend the day creating crafts and learning about how this is celebrated around the world. As this is a new topic, if you have anything you think might be useful for this topic (or Chinese New Year celebrations), it would be greatly appreciated!

Molly Mackarness

Mrs Mackarness came into school and introduced baby Molly to the staff and children. Molly was born on 4th November and weighed 8lb 1oz.

3rd January, 2017.

Dear Parents and Carers,

30 HOURS A WEEK NURSERY FUNDING FOR WORKING FAMILIES

You may be aware that 30 hours a week of free childcare for 3 & 4 year old children of working families will be available from September 2017.

The free childcare is available for families where:

- Both parents are working
- Each parent earns the equivalent of 16 hours a week at the national minimum or living wage, and earns less than £100,000 a year
- Or the sole parent is working in a lone-parent family

We are asking for your help, please, to enable us to assess how we can best provide this for our community, and would greatly appreciate it if you could complete the attached questionnaire and return it to the school office. Please include all children under the age of 5, not just 3 and 4 year olds, as this will help plan for future needs.

We do need to start making plans at the end of January, so your early response would be greatly appreciated.

Thank you very much indeed for your help.

Yours sincerely,

Libby Heywood, Bursar
