Whole School Celebration of Term 3 Learning

We would like to invite you to **East Hoathly Church on Thursday 9th February 2017 at 2:45pm** so each class can share a short performance linked to their learning this term. You are then welcome to come back and join the children in their classrooms so they can share their topic books with you! We hope you can come along.

It is good practice to inform parents of the school attendance figures. We will be reporting this information in our newsletters.

Attendance

Our attendance percentage for this school year to date is:

95.8%

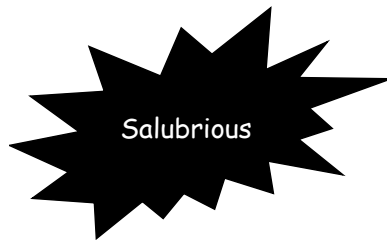

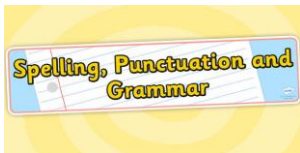

Class Attendance Figures for last week:

Year R	-	99%
Year 1/2	-	98.8%
Year 3/4	-	96%
Year 5/6	-	98.3%

Interesting Word of the Week

Each week there will be an interesting, useful but unusual word for the community to get to know. We will select a word and provide a definition for it. Pupils will be asked by Miss Lewis and Mr Procter in Friday's assembly what the word is and what it means. They will ask them to put the word into a sentence to show they have understood the meaning. This is to help build up pupils vocabulary through the year.

This week's word is:

Definition:

1. Favourable to or promoting health; healthful.
2. Positive health of mind or body.

Nursery News

Author's visit to Eastbourne Library

On 6 February 2017 at 3.30pm we welcome author Sam Gayton as part of his 'Magic and Mayhem' tour. Gayton has written several highly acclaimed fantasy novels for children and he will be visiting Eastbourne Library to speak about his latest novel, *His Royal Whiskers*, published by Andersen Press. There will be an opportunity to purchase copies of Sam's books and have them signed at the event, and we hope that the experience will inspire a love of reading.

Forest School

In Forest school this week, Reception explored the use of natural materials and clay as they created their own tree faces.

The children selected different objects that they could find in the field, then decided which part of the face they could be used for. Alexandra carefully swirled her leaves to make super eyes for her clay face!

The Golden Mile

We are running a mile around the playground at least once a week.

Mr Herdman measured out one mile on our school playground.

Classes and staff tick off when they have achieved it each week on the 'Golden Mile' display.

SAINSBURY'S ACTIVE KID'S VOUCHERS

We are collecting Sainsbury vouchers from 25th January to 2nd May. Please donate them to the school office to help us get some equipment for the school and nursery.
Thank you.

Water is Cool in School

We are all aware of the health benefits of drinking water, for both children and adults. Research also indicates that drinking water regularly will help the brain to function more efficiently. Whilst we do have a drinking fountain, we think the best way to encourage and enable children to drink more water at school is to bring water to class. **As a healthy school, water bottles should only contain water and not flavoured water, squash, juice or sugary drinks.**

- Children may bring water only in a clear plastic bottle.
- Children must be able to manage the top themselves.
- The container needs to be **clearly labelled** with your child's name.
- Please do not put the container in the book bags as water leakage spoils books.

Each class has a plastic box or tray for the water bottle to be kept in and bottles should be taken home daily to be refilled with water.

Year 5/6 - Chinese New Year

We had a lovely afternoon on Friday, celebrating Chinese New Year! We ate prawn crackers and talked about how people celebrate - we practised using chop sticks, and made lucky red envelopes with Chinese messages on the front. We started making Chinese New Year calendars, which will be making their way home soon!

Run a

to teach road safety and save lives

When can I take part?

- Beep Beep! Days run every year and you can run your event on any day but our national dates are:
- For more information on the theme of each date please visit brake.org.uk/beepbeepday.

Get your resources!

- Everyone who registers will receive a free e-resource pack or for a small fee you can get a bumper resource pack! The Bumper Pack contains stickers and certificates for all children taking part, posters, lots of road safety activities and even balloons, all for just £12.60 (per 50 children).

Every year thousands of tots and infants aged 2-7 take part in a special Beep Beep! Day.

- It's a great way to engage children with the road safety basics through fun activities, while raising awareness among parents and the wider community about protecting children on roads.
- Each Beep Beep! Day will have a different theme with brand new free and low-cost resources meaning you can run more than one event throughout the year.
- It's also a fun and easy way to raise valuable funds for Brake.
