95.9%

Class Attendance Figures for last week:

Interesting Word of the Week

Each week there will be an interesting, useful but unusual word for the community to get to know. We will select a word and provide a definition for it. Pupils will be asked by Miss Lewis and Mr Procter in Friday's assembly what the word is and what it means. They will ask them to put the word into a sentence to show they have understood the meaning. This is to help build up pupils vocabulary through the year.

This week's word is:

Conducive

Definition:

- 1. Making a certain situation or outcome likely or possible.**
- 2. Tending to produce; helpful; favourable.**

Kitchen Assistant Vacancy

Chartwell's have a school Kitchen Assistant vacancy from 11.30am to 2.00pm in our school kitchen to start on 2nd March 2017. If anyone is interested, please contact Chartwell's on 01435 865310.

We would like to say a big thank you to Sara's family, for coming into nursery to share some of the different foods you would find in Romania. They also shared some interesting facts about Romania using the big screen and they saw Sara in the traditional clothes that they would wear.

Have a lovely half term and we will see you all on the Monday 20th February.

Thank you,
Nursery Staff

Water is Cool in School

We are all aware of the health benefits of drinking water, for both children and adults. Research also indicates that drinking water regularly will help the brain to function more efficiently. Whilst we do have a drinking fountain, we think the best way to encourage and enable children to drink more water at school is to bring water to class. **As a healthy school, water bottles should only contain water and not flavoured water, squash, juice or sugary drinks.**

- Children may bring water only in a clear plastic bottle.
- Children must be able to manage the top themselves.
- The container needs to be **clearly labelled** with your child's name.
- Please do not put the container in the book bags as water leakage spoils books.

Each class has a plastic box or tray for the water bottle to be kept in and bottles should be taken home daily to be refilled with water.

Please see below the list of After School Clubs that we are offering for Term 4.
