Interesting Word of the Week

Each week there will be an interesting, useful but unusual word for the community to get to know. We will select a word and provide a definition for it. Pupils will be asked by Miss Lewis and Mr Procter in Friday's assembly what the word is and what it means. They will ask them to put the word into a sentence to show they have understood the meaning. This is to help build up pupils vocabulary through the year.

This week's word is:

Definition:

Difficult to interpret or understand; mysterious

Reception and Nursery's Trip to Plumpton Farm

Thursday last week was an exciting day for Reception and Nursery as they visited Plumpton College Farm. They joined Chiddingly on the coach and travelled to the farm spotting plenty of interesting sights on the way. When they arrived they were met by Deborah who showed them into the education centre and then showed them around the farm. Whilst there, the children were looking at different animals as part of their topic linked to farms. The children then were given the opportunity to create their own craft lamb using real sheep wool! It was a fantastic day and the children learnt lots about the names of mother and father animals and how long it takes for animals to grow and develop.

Towner Art Work to be shown at Eastbourne Carnival in May!

On Thursday 15th May 2017 John from the Towner Art Gallery came in to lead art workshops with Year 1/2 and Year 3/4 classes. Year 1/2 made jester masks using cross hatching technique to colour in and make them bright and colourful. Year 3/4 decorated umbrellas and used drawing and cutting techniques. Children from East Hoathly School will be invited to come along to Eastbourne Carnival and Parade with their art work. Further information about this will be shared in a letter soon. The children had a great time developing their artistic skills to create their pieces. Lotte said "Jessica was very creative in making her mask and had some great ideas for her jester mask." It was really great to have a visiting artist share his ideas and skills. It was a very active session and the children were taken through the process step by step.

Dear Parents,

Stuck for things to do with the kids over Easter? Looking for something fun to do on your doorstep? Then why not introduce them to the joys of Musical Theatre?

M.T Musical Theatre & Performing Arts is a brand new youth group based in East Hoathly, offering acting, singing and movement training and is currently available to children aged 7 years and over. (We are looking into extending this opportunity to younger children in the future).

This Easter we will be offering a 2 day workshop for children ages 5 years and over where they will have the opportunity to put all the above skills into practice **AND** become part of the production team taking part in set painting, prop making and costume design.

The workshops will take place in East Hoathly Village Hall on Wednesday 12th and Thursday 13th April between 10-2pm, culminating in a small scale performance on Thursday evening at 6:30pm for parents/ guardians, friends and family. (A small entrance fee of 50p will apply to help cover costs).

The cost of the 2 day workshop and performance is £36 (£30 for additional siblings) and will include refreshments and any props/ costumes that they would like to take home. A packed lunch will need to be provided.

There is a maximum of 20 spaces available. For any additional enquiries or to make a booking please contact Michelle Titherly on 07766015101 or michelletitherly@btinternet.com no later than 31st March 2017 and I can provide you with further details and/or a booking form.
