Interesting Word of the Week

Each week there will be an interesting, useful but unusual word for the community to get to know. We will select a word and provide a definition for it. Pupils will be asked by Miss Lewis and Mr Procter in Friday's assembly what the word is and what it means. They will ask them to put the word into a sentence to show they have understood the meaning. This is to help build up pupils vocabulary through the year.

This week's word is:

Definition:

More important than anything else, it is supreme.

Team GB 100m sprinter Rion Pierre visited our school

Rion is a former National champion and is one of the fastest 100m runners in UK history. He has won many international medals for Great Britain. These include winning medals at the European Championships and World Championships. He was a professional footballer in his youth at the Chelsea academy and his talents for sprinting were discovered here. He has overcome many injuries and missed out on the Olympic Games, however because of his dedication and natural talent he is now back on top form and we are confident he can qualify for this year's World Championships.

“Rion talked about what sports he did as a child to improve his Growth Mindset.”
Jessica-Rose Year 4

“Rion talked to us and showed us how to use Growth Mindset when being a sportsman.”
Zach Year 3

On Wednesday, Rion Pierre, the GB sprinter came to East Hoathly and Chiddingly to talk to the children. He spent time with the whole school and then worked with each class for a workshop. The theme of the day was to develop the children's 'Growth Mindset' to follow their ambitions and dreams.

Rion talked about his journey from being an everyday boy growing up in Jamaica and then London, before developing a love for football. He practised so hard to become the best he could and worked his way up to playing for the Chelsea youth football team. Unfortunately a major injury put paid to his football career, but as part of his rehabilitation he discovered a talent for sprinting which led to his new found career.

As Rion walked into our school hall, he was really impressed to see our 'Growth Mindset' display and continued to explain to the children how the only way to succeed in something is to have a positive, resilient outlook and to never give up!

All classes enjoyed their workshops and managed to ask our visitor lots of questions. We are really grateful to the FPTA for covering the cost of this worthwhile event and many thanks to Rion for coming to East Hoathly.

Year 6 Safety In Action Day - Friday 9th June

We had a wonderful time at Safety in Action last week. We got to meet representatives from all of the emergency services and worked in teams to solve problems in a variety of scenarios. We learnt to give CPR, how to respond in a fire, how to be safe around water and near the railway and about road, electrical and farm safety - there was lots to see and do! Our teams scored really highly and we all received a certificate for our hard work.

Year 6 Activity Day - 19th June

We had a fabulous day at Buzz Active in Eastbourne - we tried out lots of water sports including: wind surfing, kayaking and sailing. Our instructors were very pleased with our perseverance and determination. We worked in mixed teams with the Year 6 children from Chiddingly and we worked exceptionally well together. It was a really hot day but luckily we could have a dip in the sea afterwards to cool off!

Nursery News

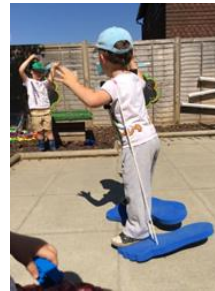

Our letter sound this week: H, h

Our number this week is: 2

Last week we were looking at seahorses and mermaids, we looked at their tails to see if they were the same or different.

We are focusing on getting the rising 5's ready for school we have been trying to find our names and then sound the letters out. The other children have been looking at shapes and colours.

We have had lots of fun using the new giant feet in the garden.

Diary Dates

- **Wednesday 28th June** - Teddy bears picnic (Rising Fives)
