Rugby Club

On Monday, there is a Rugby Club after school for ALL ages. It costs £3 a session and is great fun for boys and girls.

Unfortunately, if there are not enough children to go, the Rugby club won't be able to run anymore.

If your child is interested, please sign them up!

WORD OF THE WEEK

Definition of Sabo-
tage (verb) in English:

1) Deliberately destroy, damage or obstruct (something), especially for political or military advantage.

Term 3 Clubs

If you need a form to fill out for your child, please pop into the office where you can get a consent form from Miss Dutton.

Forms for breakfast club this term are available from Miss Hillier or the office. It is £5 per session and during the session, you can enjoy some toast or cereal while completing a fun activity.

Please can you return the completed forms to the office.

Thank you!

FPTA Dates

Illness

If your child is ill, please ensure you ring the school every morning, that your child is off, to let us know where they are.

This week in Forest School, the children played 'Dinosaur Masterchef' and had to design the most varied meal they could for a herbivore. We also talked about how important it is that the meal looks good, like in real Masterchef! The children made excellent meals and could talk about all the materials they used and why they had used them—delicious!

Volunteer Helpers

If any parents would like to volunteer in the school please see Miss Dutton in the school office to complete the required paperwork.

We welcome volunteers to help with readers, forest school, swimming and some school trips.

Mathematics Day 2018

Last week, we had Mathematics Day at East Hoathly and Chiddingly School. The staff decided that the children needed to gain more confidence with working with and solving problems linked to fractions. Each class focussed on this and we had a whole day of fractions activities. Year R concentrated on finding wholes and halves while Year 1 and 2 started to explore quarters of shapes. Year 3 and 4 did some cross curricular activities involving designing their own flags. They were able to work out what fraction of each colour they had. Year 5 and 6 independently choose what they needed to practice and worked on it. This included looking at comparing and finding equivalent fractions; multiplying and dividing fractions and adding and subtracting fractions! In the afternoon, they created a fruit salad - measuring out according to different ratios.

In the afternoon, the whole school got together for the House Team Quiz! The children had to work out mathematics questions but if they got stuck they could ask a friend on their team or a team member in the audience. Pupil Governors chose new house names, they are: Mars, Saturn and Jupiter! Mars were the winning team in the quiz so well done to them!

In Celebration Assembly, Miss Lewis asked the children about Maths Day and children shared what they had learnt.

Leo Tarry wrote in his book "I am now more confident with solving maths fractions problems."

Year 3/4 Team Building Trip

Year 3/4 ventured off to Walton Firs Activity Centre on Tuesday, for an action-packed day of adventure! They participated in different activities alongside children from Chiddingly School, such as searching for pictures hidden amongst the trees and buildings during Photo Orienteering and climbing, swinging, splashing and squelching their way through obstacles and plenty of mud on the Adventure Course. The children also completed a Nightline, where small groups used cooperation and listening skills to negotiate a complicated collection of tyres, cargo nets and elasticated rope webs, all whilst blindfolded!

Activities also included Caving, where children explored a myriad of dark and leaf-strewn tunnels and caves, and finally Crate Stack, which required balancing atop and climbing a tower of crates whilst teammates stacked each step from below!

So much fun was had, and everyone a great day. Mrs Pattenden and Miss Moore were extremely proud of the class and very grateful to our lovely parent helpers!

Thank you also to the weather for keeping the rain away from the activity centre - it was muddy enough as it was!

Nursery News

This week in Nursery, we have been learning how to count up to 10 and back down to zero. We have been practising this in various ways, with compare bears, using our fingers, listening to number songs and using puppets.

Home Learning

Here are a couple of songs that we have been learning in Nursery and thought it would be nice for the children to learn them at home too.
