WORD OF THE WEEK

Tumultuous

Definition of Tumultuous (adjective)

in English:

1) Making an uproar or loud, confused noise.

FPTA Spring Fair

The FPTA are delighted to announce we raised £2500 from our East Hoathly Fair last Saturday. Despite the horrible weather, there was a fantastic turnout from the school and wider community, and even the Easter Bunny came to visit!

Thank you to all of those who came and supported the event and we hope everyone had a lovely time. We look forward to seeing the children benefitting from these funds which will be spent on classroom resources.

Also, we are delighted to announce that we have successfully applied for a Community Grant through Wealden District Council which, together with funds raised by the FPTA, will enable us to purchase staging for use by the school and wider community.

Uniform Reminder

Parents are reminded that after the Easter Break, the children should wear the Summer uniform.

All children should wear **polo shirts**, not a shirt and tie.

The uniform policy can be found on the school website.

Sports Week

WOW, what a week! We have all experienced a different sporting workshop each day - even the teachers got involved too! There have been so many comments from parents and children about how much they have enjoyed this week, please fill in the comments sheet the children have brought home. All the workshops have been offered by our local providers in the hope that if interested the children can branch out and continue learning the sport.

On Monday, we were joined by GB Athlete Mercy Brown who is a bronze weightlifting medallist. She shared her sporting journey and talked to us about not letting setbacks stop us from achieving our dreams and goals. We then warmed up with plenty of squats to get our muscles warm, before we practiced lifting moves!

"We did lots of different sports. We are trying to make ourselves as fit as possible. One of the athletes showed her growth mindset and how she didn't give up which is important so you can always keep trying and you get to reach your goal and do better things.

She told us 3 top tips: 1) Train hard 2) Work hard 3) Listen to others." George, Year 5

On Tuesday, it was street dance day, we brought our funky moves and attitude to the village hall and created our own dance shows after learning some key breakdancing moves like the 'Corkscrew and W drop'!

On Wednesday in Ballet, we learnt about happy pointy toes and how to use our core

muscles and strength to pile and releve. We also discussed the importance of core strength and balance for other sports and how ballet can enhance this.

"I loved it, it was really fun. I really liked the ballet, street dance and the tennis. Did you know healthy foods give you energy for running and doing sports?"

Sara, Reception

Sports Week Continued

On Friday, we had double workshops with golf in the morning and calming yoga in the afternoon.

Across the week, we also walked to the local tennis courts where there were tennis balls everywhere! We learnt how to stand in the ready position and perfect our forehand shot.

Throughout all the sessions we thought about the importance of physical exercise and healthy eating to keep us fit.

We would like to thank the local coaches we used to provide the workshops. If you would like any more information about the clubs and sessions they provide there are leaflets attached to the newsletter and links to their websites on our website.

Nursery News

As we have spent the week looking at caterpillars, our story is 'The Crunching Munching Caterpillar'. It is a lovely book that introduces the children to the life cycle of a caterpillar.

We have been working hard on our mark making in Nursery. The children have started this by practising with their curly caterpillar letters.

MT Musical Theatre & Performing Arts is a new(ish) youth group based in East Hoathly.

Offering Acting, Singing and movement training and is currently available to children aged 5 years and over, with sessions running on Mondays and Thursdays.

Our aim is to build confidence and inspire creativity whilst having fun learning about stage craft and performance with opportunities to showcase these skills at various performances throughout the year.

Following the successes of both "Into the Wild" and "Lost and Found" we have a brand new show planned for early Autumn (date TBA) and will be kick starting the production with a number of Audition workshops over the Easter Holidays with a finale casting showcase.

"The Chair" tells the tale of a special chair as it moves from place to place and the stories that surround its Journey. With songs from musicals such as "Matilda", "Bugsy Malone", "Grease", "School of Rock", "Little shop of Horrors", and a number of pop songs, there is a part for all, big or small!

N.B. It is not compulsory to attend the workshops or take part in the showcase to take part in the show. If you are unable to attend but would like to join or resume after Easter please contact me for further details. For any children that would like to be considered for a leading role and would like to do a solo audition, either at the showcase or at a later date then please also contact me for further details and audition pieces. Putting on a show has many associated costs and where I have tried to keep it to an absolute minimum I have to include the following to make it possible:

A production fee of £25 per child is applicable to cover the dress rehearsal hire costs and production costs such as staging (I am hoping to hire the new equipment from EH school and hold this years production in East Hoathly Village Hall) lighting, sound equipment, props, hair and other accessories.

There will also be a **costume fee** of between £10 to a maximum of £20. I will be reviewing the cost and sending out a revised amount when I have finalised the cast.

Classes will resume after Easter at the following times:

Monday 16:00-16:45pm Mini's £4.50 per session

Thursday 16:00-17:00 Junior's £5.00 per session

Thursday 17:00-18:00 Senior's £5.00 per session
