## Welcome to Term 5!

We hope you had a very enjoyable and restful Easter break! It's lovely to be back at school and with the sun shining so brightly too!

Please can you ensure children come to school with sun hats, water bottles and sun cream. Please note that staff are not able to apply sun cream to the children so ensure this is done in the morning. Children are welcome to bring a small bottle in their book bags to apply further cream at lunch time.

## WORD OF THE WEEK

**Abscond**

Definition of Abscond (verb) in  
English:

1) To depart discretely.

## Peer Mediators

Year 5 and 6 take on the role of Peer Mediators at lunch times. They are trained up to help resolve small problems between children. You can spot them as they wear red bands. If other children need help, they go and find the Peer Mediators. The Peer Mediators listen to the problem from all the children involved then come up with ways to solve the problem. They record this in a special book. Miss Smith checks the book and oversees what the children have been doing.

## Uniform Reminder

Parents are reminded that after the Easter Break, the children should wear the Summer uniform.

All children should wear **polo shirts**, not a shirt and tie.

The uniform policy can be found on the school website.

## Anti Bullying Mark

We are currently in the process of applying for an Anti Bullying Mark Bronze Award for the school. Mrs House (as a parent), Mr Rattray (as a governor), Miss Purcell, Mrs Winchester and the Pupil Governors have all been involved in a Steering Group to help achieve this. We will keep you posted!

## Year 1 and 2 Palaeontology Day and Super Growing

Last term, we entered the Innocent Smoothie "Big Grow 2018". Innocent sent us compost, pots and seeds to plant our own vegetables and we have been looking after them for 5 weeks now! Hopefully we'll be able to eat them soon.

The children have now taken them home and can replot them or plant them in the garden to soak up the sun - well done growers!

We had a Palaeontology day in Year 1 & 2 - we dressed up as Palaeontologists and excavated some

dinosaur bones which

were hidden

around the school. We then studied them and worked in teams to put them together to make whole dinosaur skeletons. We also learnt about what Palaeontologists do when they're not digging and how they know so much about dinosaurs.
