Reports

The children's reports will be coming out on Friday 13th of July.

If you have any queries about the report, there will be an opportunity to speak with the class teacher on Monday 16th of July between 3.30 and 5pm.

Please just come along— there is no need to make an appointment.

WORD OF THE WEEK

Sanguine

Definition of Sanguine (adjective)

in English:

1) Optimistic or positive, especially in an apparently bad or difficult situation.

Year 6 Bikeability

Please make sure you have filled the consent form and paid if your child wishes to take part.

Bikeability starts on Monday 9th July.

Punctuality

An increasing number of children are arriving after the bell has gone. This disrupts the learning and settling of the class - please make sure your child is in the playground and ready to enter the school building at 8.50am.

New Gate System

A change has been made to the call system at the front gate of the school.

Now, you have the option of ringing either the School Office or Nursery.

Before pressing the green call button, press one of the arrow keys to select where you would like to call. Once you have done this, you can then press the green button to call in to gain access to the school.

Year 6 Leavers' Service

On Tuesday 26th of June, Year 6 travelled to Crowborough to take part in their Leaver's Service.

For the first time, they were joined by Year 6 from Chiddingly.

Ethan said "I enjoyed singing songs at the front of the church and having our pictures taken. It was a great memory to make."

Aidan said "I enjoyed it because I helped to carry the banner for the service. This is a good memory to take to Uckfield."

Miss Purcell said "It was great to see our Chiddingly friends from residential. The service was lovely, with lots of beautiful singing and it was a great way to reflect on our year."

Athlete Visit

On Thursday 28th of June, Aidan Sayers - a GB 100M sprinter - taught us some fast paced sprinting techniques. He talked about the importance of not giving up and always trying your best in all areas of life, not just sport! His journey to achieve his goals was one filled with lots of injury and set backs. He talked about his confidence and **growth mindset**, which allowed him to **keep going** and **achieve his dream** of being a professional athlete. The children loved talking to him so much, he had to be rescued at lunchtime!

Sports Day

On Wednesday 4th of July, we all enjoyed Sports Day! The children cheered on their coloured teams in a variety of activities.

We then had the flat races, where the children and adults raced up to the finish line!

Well done to the **Yellow Team** for winning the event overall! It was great to hear and see such incredible support and sportsmanship from all children.

Well done to the adults below for winning the adult races:

Mr Medrow—Male Parent Race

Sarah Wright— Female Parent Race

Verity—Ladies Staff Race

Mr Procter—Male Staff Race

Thank you to everyone who joined us for the event and the family picnic!

Thank you to the FPTA, who provided refreshments throughout the morning.

Also, a big thank you to the adults who organised and helped.

St Mary's

On Tuesday 3rd of July, East Hoathly travelled to St Mary's Hartfield, by coach, to see their Year 5 and 6 class perform their dress rehearsal.

The St Mary's children presented a brilliant rendition of 'Wind in the Willows', complete with beautifully designed scenery, cracking costumes and face paint, stunning solos and even a tap-dancing scene!

A lot of work went into their production and it really showed! We all cheered for the children and the adults who helped.

Lola said "I liked the Rat and the Mole in Wind of the Willows."

After we watched the production, the children went into the playground and enjoyed a picnic lunch, before the children at St Mary's came out to play. It was really great seeing the children from the two schools playing and interacting with each other. Since a few children from East Hoathly visited St Mary's to teach them about 4-Square, it was wonderful to see the St Mary's children show off the skills they had been practising.

We left St Mary's in good spirits and look forward to seeing our friends at St Mary's again! Thank you to all of the parents that helped on the trip!

Ofsted News

Letters went out this week sharing our Ofsted report.

We would like to celebrate our great news by getting into contact with the local papers and using banners.

Again, thank you so much for all of your support and we look forward to working with you to improve our school.

Diner of the Week:

Nursery - George Baxter

KS1 - Ashton Skerritt

KS2 - George House

Champion Table

KS1 - Portugal - 13 points

KS2 - Brazil - 18 points

Nursery News

This week in Nursery, we have been learning to show an interest in shapes in the environment, to play in a group and confidently talk about the importance of sharing.

Our story of the week is 'Sharing a Shell'. The children have enjoyed making a hand print crab and decorating starfish with glitter.

An Athlete called Aiden, who was a 100 metre sprinter, came to visit the Nursery. The children really enjoyed playing a variety of games on the field such as Duck, Duck, Goose and running races. We also heard about his achievements and growth mindset!

"My favourite part was duck, duck, goose." Delilah
