WORD OF THE WEEK

Lionhearted

Definition of Lionhearted

(adjective) in English:

1) Brave and determined.

World Mental Health Day

On Wednesday 10th October, it is World Mental Health Day. In school, we will be learning about **mental health** and ways to ensure we have **healthy minds**. We would be grateful if anyone who has experience in this field, such as doctors, nurses, meditation and relaxation, would be able to come in to talk to the children.

Please visit the school office if you are able to help.

Learning Powers

Next week, we will be changing the way we do our learning powers.

We are looking into how we can combine our British Values, Christian Values and Learning Powers together. We have asked both staff and children about how we can do this.

From the feedback we have had so far, the children have decided that the theme they would like is superheroes.

We look forward to sharing the learning powers with you from next week!

Positivity Board

A 'Positivity Board' has been put up in the School Office. This board enables parents/ carers, staff, children and visitors to write positive comments, or thoughts, about their time in school or during events that they would like to share with others.

Please pop in any time to write down something that you would like to share or send an email.

In the newsletter every week, there will be a picture to share and celebrate the positivity within our school and community.

As always, thank you for your support!

BIRTHDAYS!

Federation News

Teachers will be meeting up this term to moderate work together. Some of the teachers are subject leaders across the three schools, so they will be supporting the teaching and learning for pupils across the federation.

This year, we will be introducing our Governors weekly. They will be sharing some facts about themselves, such as their motivations to be on the Governing Body and aspirations for the Federation. We look forward to sharing this information with you!

Governors

For those of you that don't know me I live in Hailsham. I am married (to a teacher) and have one son. I am a Civil Servant and work in London. After the joys of commuting, I relax by playing, umpiring and coaching hockey for Hailsham. I also have an allotment, though I am struggling to find enough day light hours to do it justice. I also seem to get roped into a lot of running. I think if someone highlights a good cause, I appear to be easily persuaded! I have now completed the London Marathon and the Brighton and Eastbourne half marathons over the last 12 years. I am supposed to be in training for the London Marathon next April as well! Not to mention the Mince pie run in December that Mr Procter has successfully convinced me to run for the last three years.

I started as a Governor of Chiddingly School nearly 18 years ago when my son was a pupil. (He is now nearly 24!) During that time, I have also served as Chair for approximately 11 years and am now one of

the vice-chairs. It is a very rewarding role while at the same time being sometimes quite challenging. As Governor, you are responsible for influencing the strategic direction of the schools, but have to avoid the temptation to get involved in the day to day management of the school. We are responsible with the senior leadership team for the schools/federation's performance and direction, but have to get the balance right so that we allow the senior leadership team to manage the schools/federation on a day to day basis

without interfering. We have to learn to fulfil the "critical friend" role.

I have seen many ups and downs over the 18 years but the most exciting was the move to the Federation and more recently the expansion with St Marys joining. I have been amazed by the progress each school has made over the period it has been in the partnership or federation. The results and the Ofsted judgements have been so good to see. The benefits of schools and professionals working together cannot be underestimated and I think the evidence speaks for itself. There is, of course, still work to be done but I think the foundations have been laid and we have a good team of professionals in the Pioneer Federation who will drive us all forward for the most important aspect, which is of course the children.

Why have I stayed for 18 years? Well, there is no substitute for seeing the excitement on the children's faces and hearing their chatter as they grow and develop.

They are always so willing to share what is important to them. Seeing the schools move forward and develop is so rewarding. I often get into school either on formal visits, to interview for staff or just to look round the classrooms and chat with the staff and children. It just puts the day job into perspective! The Governors normally have their badges on when they are in school so if you see any of us, by all means stop us, introduce yourselves and have a chat.

Attendance Policy

Just a reminder;

- If you arrive at school after 9.00am, you will be signed in as late.
- Sickness should be phoned into school before 9.30am and if your child is off sick for more than one day, follow up calls need to be made to the school.
- Please try to make GP and dentist appointments out of school hours.
- If your child is off school, you must bring in a letter explaining why.
- A request of absence form must be filled in for absences other than an illness. You will then be told if the absence is authorised or not.

Any queries can be made to the school office.

The full attendance policy can be found on the school website.
