## Year 3 and 4 Science Day

Over the past two weeks, Year 3 and 4 have enjoyed two science days! The children all took part in different experiments and investigated the reactions of the events that happened.

On the first Science Day, Friday 12th October, Year 3 and 4 looked into experiments involving materials

Activity 1: How can mixtures become separated? We looked at the mixtures you have in front of us. Then we separated the substances.

Activity 2: Who can melt an ice cube the quickest? We had to predict which method we thought would melt the ice cube fastest and then test it out.

Activity 3: We were sorting different materials. In our groups, we had to look at each object and decide whether it was a solid, a liquid or a gas.

Activity 4: We watched Miss Riddall: Boil a kettle - hold a mirror over the spout, pour the boiling water over a sugar cube and watch it disappear and turn the fan on with our faces in front of it. We had to predict what we thought would happen and explain what was happening when we watched it.

On the second science day, Wednesday 17th October, Year 3 and 4 took part in activities involving their senses, solids, liquids and gases.

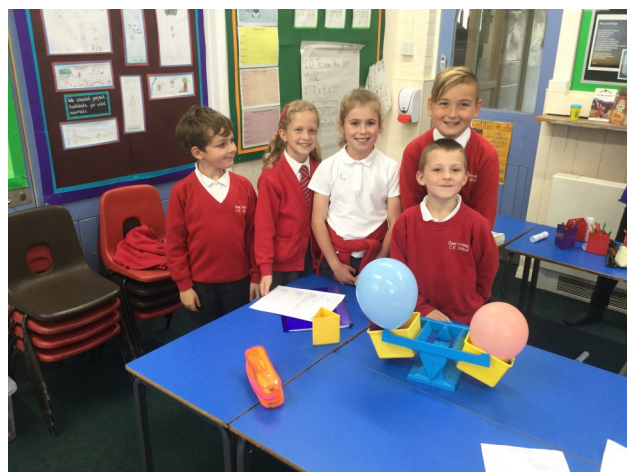

Activity 1: How can we use our sense of smell? Essential oil was put on a tissue, this was then hidden and we had to find it using our noses.

Activity 2: What will happen when boiling water is poured into a glass bowl then covered with cling film? We discussed the water cycle.

Activity 3: Which plastic bottle will squirt water the furthest? There were three bottles to test; 1 full one, 1 half full one and 1 nearly empty one.

Activity 4: We had to estimate and test which balloon weighed the most. Will it be the balloon full of air, water, semi blown up or empty?

Luke said "I think that the warm water will melt the ice-cube the fastest... I was right! Look the ice-cube has got smaller and smaller".

## Year 5 and 6 Trip to Weald and Downland Museum

On Tuesday 16th October, the Year 5 and 6 classes in the Federation went on a trip to Weald and Downland Museum as a part of their Victorians topic.

The children of Chiddingly, St Mary's and East Hoathly schools dressed up like Victorians and took part in a range of activities, including Victorian style cooking, Victorian style schooling and performing Victorian style chores.

The children enjoyed their day and seeing their peers from across the Federation. The weather held out and they were able to enjoy a social lunch on a field together.

Thank you to the parent helpers for their support and thank you to Miss Banks, at St Mary's, who organised such a lovely trip! What a way to end such a busy term!

## Harvest Festival

East Hoathly have taken part in two Harvest Festivals this year.

The first took place on Sunday 14th October in the Church with Rev Phil Hodgins. Miss Lewis and some children from East Hoathly volunteered to read out prayers to share.

The Harvest Service from East Hoathly School on 16th October saw the children all perform songs about the Harvest, showed some work to the parents that came and the school have donated food to the local foodbank. The Nursery children all worked together to build a very impressive scarecrow for the Harvest Festival.

Thank you everyone for your donations and hard work this harvest!

## Eco Warriors

After dozens of amazing applications for the posts of Eco Warriors, Mr Herdman had a tough time deciding. Originally, there were only going to be 6 posts however after so many fantastic manifestos it was decided to have nine! Mr Herdman went round the classes on Thursday and announced those children who were successful and who received their badges. Those children are;

**Archie G**

**Emilia**

**Robert**

**Spencer**

**Jessica**

**Florence**

**Archie B**

**Catherine**

**Benjamin**

Congratulations to them all and we forwards to seeing them carrying their manifestos. Reduce, reuse recycle!

## Enrichment Morning

Earlier this term, the children had a range of activities to choose from that they normally would not do in school. There was sewing, gardening, cooking, cheerleading, art and rugby.

On Friday, the children all took part in their chosen activities and it was great to see the children all enjoying themselves.

Poppy in Year 5 said "Gardening was fun because we got to use tools, like cutters and we got to weed the garden."

In sewing, Holly Z in Year 4 made a blue monster with three eyes. "I sewed on buttons and felt to make the face."

Ben in Year 2 said "Rugby was fun, Mr Procter taught me new skills", Matilda in Year 5 agreed, commenting "I learnt how to pass backwards and to communicate with my team to find space."

Maxym in Year 4 took part in the cooking activity. "We made healthy, fruity muffins. I had fun grating the carrots."

Abbie in Year 4 said "Today, cheerleading was fun. I had a good time with my friends and I am glad they convinced me to take part."

In Art, Ruby in Year 6 had a go at 'blind drawing'. "It basically means you need to focus on the object you are drawing and not look at the paper. I really enjoyed it."

The children all had a fantastic day. Thank you to all of the adults who shared their skills and interests. It was such a successful day and the staff are already looking forward to organising the next Enrichment morning.

## Enrichment Morning

## Governors

### Heidi Twort

I grew up in Wales and moved to Sussex after studying maths in University. I work as a pensions analyst in Crawley and my hobbies are yoga, pilates, swimming, cycling and the occasional triathlon. I have two very happy children in St Mary's school and have always felt that, given the opportunity, I would like to be more involved in the future of the school.

I became a parent governor at St Mary's two years ago with a focus on Safeguarding. I have enjoyed the challenges and rewards that the position brings. I am really looking forward to working with our enthusiastic new Pioneer Federation Governing Body to be the best we can be for all the children and the three schools.

## Uniform

Parents are reminded that from Term 2, children are required to wear the Winter uniform.

The Uniform policy can be found on the school website.

### Winter Uniform

**KS1** : School sweatshirt/cardigan/jumper with the school logo, white polo shirt with school logo or plain white polo shirt or white shirt with a school tie (elasticated ties are available), grey trousers, shorts or grey skirt/ grey pinafore dress (must be knee length), grey, black or white socks or grey, black, white or red tights and black school shoes.

**KS2**: School sweatshirt/cardigan/jumper with the school logo, white shirt with a school tie (elasticated ties are available), grey trousers, shorts or grey skirt/grey pinafore dress (must be knee length), grey, black or white socks or grey, black, white or red tights and black school shoes.

## Anti-Bullying Mark

The Anti-Bullying Quality Mark is a national scheme which shows how good schools are at preventing bullying and creating an anti-bullying ethos within their schools.

East Hoathly and Chiddingly Schools achieved the ABQM-UK Bronze Award because children, staff, parents and governors demonstrated that anti-bullying is a whole school priority in which they all play an active role. As a result of this work, the school has established a range of approaches to ensure that students feel safe and comfortable.

We would like to congratulate Miss Purcell and Mrs Winchester for their leadership of anti-bullying in the school, as well as their colleagues, the governors, pupils and parents for their hard work.

We hope that the Bronze Award recognises their efforts and inspires them to work towards the Silver Award.

## Nursery News

This week in Nursery, we have been practising our Dingle, Dangle Scarecrow song for Harvest Festival. The children have had a lot of fun making a giant scarecrow and stuffing it with paper.

We are continuing with the balance ability bikes and the children are making great progress with this.

Our story of the week is 'We're Going On A Bear Hunt'. The children have enjoyed making long wavy grass, drawing family members and painting dark caves with two googly eyes.

This week in Forest School, the children enjoyed a teddy bear's picnic.

**Please can we remind all parents with children starting school for the first time (born between 1 September 2014-31<sup>st</sup> August 2015) that school applications need to be completed by January 2019.**

This can be done by going online to the website [www.eastsussex.gov.uk/schools](http://www.eastsussex.gov.uk/schools). If you need any help with school admissions, please email [admissions@eastsussex.gov.uk](mailto:admissions@eastsussex.gov.uk).

### Reminders

Please can you ensure you check your children's pigeon holes at the end of each session.

Thank you for your continued support,
