East Hoathly Visions Day

On Friday, the children of East Hoathly got involved with activities that had been inspired by the school's vision song.

In the morning, Reception and Year 1 and 2 took part in three different activities with themes of resilience, working together and creativity.

For the resilience activity, children had to use marshmallows and spaghetti to build a bridge for the naughty bus to cross over. It was a challenge as the spaghetti kept breaking! Samuel in Year 2 said "The marshmallows are really sticky and it keeps sticking to the bus."

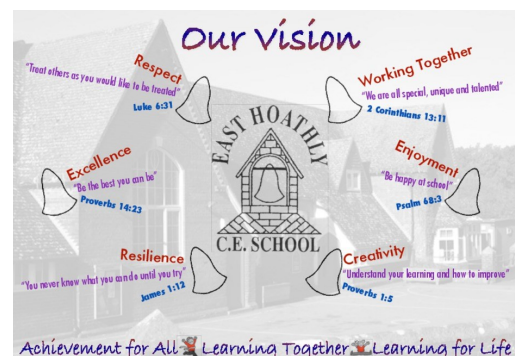

In the creativity session, the children were making collages using the letters from 'creativity'. The children used felt, tissue paper and foil to decorate the letters and show different textures. Lily in Reception said "It's fun to stick things down!"

There were a range of games in the 'Working Together' themed activity. The children had to stand in a circle and hold hands to pass a hoop around them. The challenge was to not let go of one another's hand. Freddy in Reception said "Playing the games was fun, I did really well!"

In the afternoon, KS2 took part in activities too. Their activities' themes were "working together" and "respect".

The KS2 children taking part in the 'Respect' session' created a class poem and had fun working in groups to act out each line of their poem. Summer in Year 5 said "You have to treat others how you would like to be treated."

The rest of the KS2 children worked together to try and fit everybody into hoops and not fall out of them. Daisy in Year 3 said "Working together is fun!"

Congratulations, Elsie!

Elsie in Year 5 has been very busy over the past few weeks. When she isn't at school, she spends two of her evenings swimming for Lewes Swimming Club. Every year, they run club championships and at the end of 2018, Elsie came 3rd in the 9 years and under category!

She took part in a sprint meet - which are races of 25 or 50 metres - and she achieved medals in every event she took part in! These include a gold medal for 25m and 50m breaststroke and a bronze medal for 25m back stroke!

February promises to be a busy month for Elsie, as not only will she be attending an award ceremony for what she's achieved, she will be representing Lewes again at an inter-club competition!

Well done and good luck, Elsie! We are looking forward to hearing how you do!

Forest School

Year 5 and 6 had their first Forest School session this week! As the topic is 'Survival of the Fittest', Year 5 and 6 had a very interesting challenge in Forest School.

They pretended they were shipwrecked and had to work as a team to build a fire and make a signal for someone to come and rescue them.

Archie said "I loved how we got on well in teams. We learnt new skills from each other!"

Saffron commented "I enjoyed the challenge of keeping our fire upright!"

Matilda said "We had to work as a team to build an SOS bonfire—the smoke signals will alert some people!"

Please ensure you have your Forest School kit in school for Thursday afternoons!
