## Chiddingly's Ofsted Inspection

As you may be aware, Chiddingly have recent had a very good Ofsted inspection.

Full details from their report can be found on Chiddingly's website and link for which can be found below, should you want to read it.

## Cars

There is a lot in the press at the moment about pollution levels outside of schools.

While this is particularly a problem in city schools, we are conscious of this as a rural school too. With this in mind, please ensure that engines are not being left to run outside of the school at any time.

In addition, please ensure that you are being considerate to other drivers, families and road users to ensure children are safe on the roads around the school.

## Headlice

There have been cases of headlice in school. Please take time to check your child's hair and treat if needed.

To prevent them from spreading, please adhere to the uniform policy and if your child has long hair, ensure that it is tied up during school.

## Year 3 and 4 Tennis Tournament

This week, several children from Year 3 and 4 went to the Tennis final, after their win in Term 5. They played very well—despite the rain! They all showed incredible perseverance and great sportsmanship. Well done Year 3 and 4!

Thank you to all of the adults who organised the event and helped support it!

### The Tennis Tournament

On Tuesday we went to a big Tennis Tournament and we were in the Semi final. Our first task was to keep the ball on the tennis racket like an egg and spoon race. Our second task was to let the ball bounce and then catch it on the racket. Then our third task was to get into groups of girls from our schools and groups of boys from our schools. Then we went on to the tennis court but sadly the weather was bad! Finally the results were in!

And  
we  
came  
4<sup>th</sup>  
place!

## **Mr Wright**

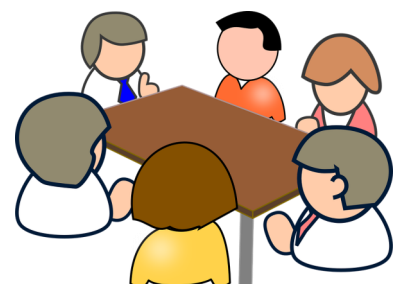

Mr Wright has been teaching in Year 1 and 2 for the past two weeks, while Mrs King is on maternity leave.

The children have enjoyed having him in school and Mr Wright has enjoyed his time at East Hoathly. He says "the class had made me really happy. All of the children are so lucky as this is a wonderful school and there is something really special about this school. I have loved teaching here."

We look forward to welcoming Miss Williams next week.

## **Parent Forum**

The Parent Forum (Homework Review and School Development Plan review) next week will be postponed and re-arranged. Please keep an eye on the newsletter for further details.

## Golden Mile Challenge

As you know over term 5 we asked you get out and active and record how many miles of exercise you completed. Thank you to all the children who took part in recording their activity and sending in their golden mile record sheets. We have totalled up the miles from the cards we received and have completed a total of 78.4 recorded miles across Term 5.

The year group with the most miles was Year 2, with an impressive 52.7miles!

We would like to give a special mention to Jake in Year 2 who recorded all his journeys to and from school for the entire 5 weeks! What great perseverance!

A big thank you to all that took part, we hope you enjoyed getting out and active, keep up the good work!

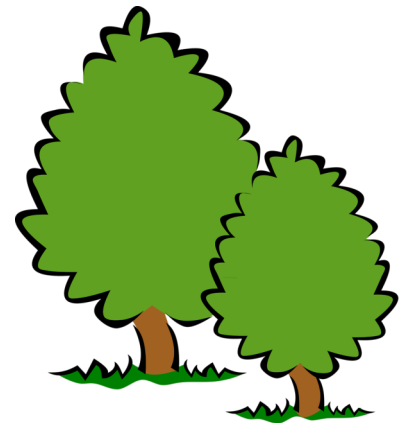

## Forest School

This term, both Reception and Year 1 and 2 will be taking part in Forest School this term.

This is to help aid the transition of Reception to Year 1.

Please ensure that children in the listed years have their Forest School kit in school for Thursday. If you are able to volunteer any time, please inform Mrs Smith, Miss Denney or Miss Dutton.

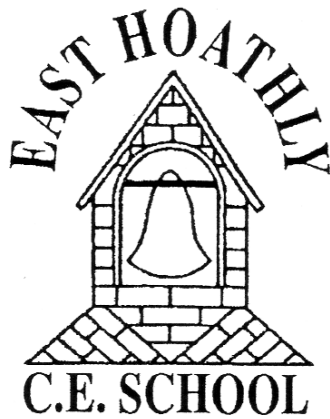

Thank you for your support!

## Our Church School

This term's Christian Value is perseverance and through collective worship and RE lessons, we ask the children how they have shown these values throughout the week.

Abigail in Year 4 said "we showed perseverance at the Tennis competition by never giving up and by showing good sportsmanship to the other teams. We shook their hands and said well done."

## Wellbeing

We now share a new wellbeing poster with you in the weekly newsletter.

This week's poster gives you tips to help build your child's resilience and growth mindset. Maybe you can ask your child to share an example of when they have shown resilience!

## Nursery News

welcome back everyone! We hope you all had a lovely half term and it is great to see the children so excited to be back at Nursery. We have a busy term ahead with lots of exciting things to learn about for our new topic 'Under The Sea'.

Our story of the week was 'Ten Little Pirates', which the children linked to their artwork and outside play.

In the outside area, the children enjoyed playing on our pirate ship (on the stage) by re-enacting walking the plank and building with our crates and large building blocks.

Our artwork this week was a real life printed picture of a tropical island. The children have used many resources and materials, like tissue paper and paint, from our art caddy to recreate their own islands.
