Menu Changes

Please note that on the last day of term—
Tuesday 23rd July— the menu will change to;

M— Salmon Fish Fingers and chips

V— Quorn Dippers and chips

P— Strawberry Ice Cream

As the new academic year starts on Friday 6th September, hot dinners will be fish and chips. This is down to deliveries that would not have arrived due to it being the Summer holidays.

Please also be aware that as of September, the options for the children will go back to only being main and vegetarian, rather than the extra option. An amended menu will be released at the end of the year, ready for September. The children will also be given visual menus which will help their decisions when picking their dinners.

WORD OF THE WEEK

Etiquette

Definition of Eti- quette
(noun) in English:

1) Code of polite behaviour.

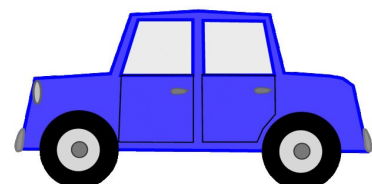

1)

Cars

There is a lot in the press at the moment about pollution levels outside of schools.

While this is particularly a problem in city schools, we are conscious of this as a rural school too. With this in mind, please ensure that engines are not being left to run outside of the school at any time.

In addition, please ensure that you are being considerate to other drivers, families and road users to ensure children are safe on the roads around the school.

Key Dates

There are a few transition dates to be aware of. Children will have the opportunity to spend time with their new class and teacher for next year on **Friday 12th July** and **Wednesday 17th July**.

Football Tournament

Earlier this week, Mr Lawrence set up a football tournament for Key Stage 2. It was played on the field before lunchtime. I was on the orange team with Danny, Pearl, Poppy, Archie and Jessica.

In the final, the orange team played the pink team. The game was really fun and it went by really quickly! We ended in a draw, which meant in order to find the winner of the tournament, we had to take part in the dreaded penalty shoot-out.

I took the first penalty and scored. In total the orange team scored three out of three on penalties and the pink team scored two—which meant the orange team won the tournament!

Wellbeing

This week's poster gives you tips on how to get a stress-free sleep.

STRESS FREE SLEEP @BELIEVEPHQ

How many steps do you need to use? Find your level and commit fully to practising your routine.

- 1.** Pen and paper. Before you get to your bedroom – listen to your thoughts and write down the main things on your mind
- 2.** Order the list of things on your mind so you know which thing seems most important, down to the least important
- 3.** Against each item on the list, write down 1. When you can start taking some action, and 2. When you think the item will no longer be relevant
- 4.** With items that are able to be worked on tomorrow, put a time against when you're going to take some action and what the action will be like
- 5.** With the things that can't be actions tomorrow, put the date when you think you'll be able to start taking action
- 6.** Who's your support team? Against any of the items that involve other people, note what you want from them and how they're going to help
- 7.** Now you think you're head is sufficiently clear and you've got a good plan in place for tackling the contents of your mind, go off to bed for a well earned sleep

Groundforce

Summer Groundforce Day will be on 24th July.

Jobs include painting the Nursery back fence, jet washing and other outside painting.

If you are able to spare half an hour, please pop along and help us make the school look fresh for next September. Any help would be very much appreciated and we look forward to seeing you then!

As always, thank you for your support!

SUMMER GROUND FORCE DAY

24TH JULY 2018 10 AM- 12PM

Hockey Tournament

A few days ago, there was a hockey tournament for Year 5 and 6 organised by Mr Lawrence. It was set on the playground and unfortunately, the weather was really cloudy! I played on a team with Zach, Sophia and Lucy. We nearly won! It was really fun and we had good teamwork—which made it all the more fun! There were many things to do, like scoring goals and dribbling the ball around the cones. After that, there was a relay and that was quite tense because it was really hard. The whole tournament ended with shaking hands and saying well done. Write up by Matilda in Year 5.

Forest School

This week, Reception and Year 1 and 2 had their first joint forest school session. They spent time together as part of transition and getting to know each other. They had a fantastic time making magical potions and perfumes using natural objects from across the field. Then, they made their own paint brushes with leaves, grass and sticks and used chalk, leaves, sticks and water to make their own paint by crushing, pulping and then adding water. Other children chose to use beads and wood slices to make headbands and jewellery.

BIRTHDAYS!

Birthdays for this week!

Happy Birthday to Tom Fox in Year 6!

golden snitch

Patina has been amazing! Fiona (our artist) is great, we have had parent help and we have loved making the pieces!

Fiona (our artist) was so impressed with Y5&6 she said: "They got so much done and were the nicest bunch of children I had ever worked with."

Nimbus 2000

Patina looks amazing / am excited for Greek olympics!! yr4

Patina was sooo fun we made Scarvs, wands, brooms, banners and a giant golden snitch

Year 3/4 have been practising the songs and it sounds great! Kinda... Jess R.YF 3:4
