World Mental Health Day

On Thursday 10th October is World Mental Health Day.

After a teacher led assembly to start the day, the teachers have planned incredible activities for the children to take part in— which we will share with you in the newsletter.

We also have the author of 'Imagine Eating Lemons' coming to visit the school in Term 2. There will also be a 'Great East Hoathly Bake Off', where the children will bake cakes and bring them in for the pupil governors to judge, before they are sold in a bake sale.

All money raised will go to Young Minds, which is a charity that supports young people's mental health.

Year 3 and 4

Year 3 and 4 will celebrate their Learning Powers next week - as they are on a trip this Friday.

Holly - Year 5

I am a Christian champion because I like helping the new Reception children.

Eco Warriors

I have had such a difficult time going through the dozens of applications for Eco Warriors! As you are aware I can only choose 2 from each class and the high standard of applications this year has made it exceptionally difficult for me to choose from! For those that applied and did not get chosen do not worry as you can still make a difference as everyone needs to work together to succeed! The following children have been successful in their applications:
Year 1 and 2: **Charlie** and **Delilah H**
Year 3 and 4: **Jack C** and **Freya**
Year 5 and 6: **Alfie** and **Holly Z**
Dee Gibbons and I look forward to having an eco meeting with them in the coming weeks and seeing how we can put their ideas into action!

Wellbeing

As we say goodbye to Summer, this poster comes in handy! It gives us tips for waking up during the dark mornings and what we can do to ensure we wake up ready and excited for the new day, despite the lack of sunshine!

Parent Forum 1/10/19

This term's Parent Forum opened up a discussion regarding the School's Development Plan for the year and how the school are going to address the points made.

The new curriculum was mentioned—which highlights the intent and impact of what the children learn and how the skills are implemented later within their learning.

Curriculum days were shared and a very exciting Pioneer Day where the children from all three schools are going to come together has been noted in the diary. The school will also be trying to achieve the silver anti bullying award.

The full minutes from the forum will be on the website for parents to see.

The next Parent Forum will be on **Wednesday 11th December at 3.00pm**. The topic will be about the new multiplication initiative.

British Values Day

On Friday 18th October, the school will be taking part in a British Values Day.

Chartwells have provided us with a menu change for the day—which is attached to the newsletter.

Please also see a letter from Mrs Winchester with more details about the day.

Any questions, please pop into the office.

Nursery News

This week in Nursery, our story has been 'Hello Goodbye?' The children have all joined in with key phrases by saying 'hello' and 'goodbye' in squeaky and deep voices which they found very funny.

During circle time, we have been looking at our shape of the week - which was a rectangle. The children described the shape by discussing how many sides and corners it had. "It has 2 long sides and 2 short sides" said Neveah.

We have created trees using pva glue and green tissue paper, using our story 'Hello Goodbye?' as inspiration. The children have had the oats out in the tough spot and have been pretending to make porridge. Harry has been outside helping the children practise their balancing skills, throwing and catching skills and colour recognition.

We have enjoyed singing our Harvest Festival song 'Thank You God' and learning the actions. The children look forward to singing and dancing to our "Open the Book" songs at the end of each day: a particular favourite of the children's is 'God Loves Me'.

Dear Parents and Carers,

Pioneer Federation British Values Day - Friday 18th October 2019

On Friday 18th October we will be holding a 'British Values Day'. At East Hoathly Primary School, we believe it is every school's responsibility to promote the fundamental British values of **democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.** We will be taking part in lots of activities to find out more about these values during the day

To make this day even more enjoyable, we are encouraging children to come to school dressed in the British colours of **RED, WHITE and BLUE.**

There will also be an 'East Hoathly Great British Bake off', where children and adults can make cakes and bring to school to be judged by the Pupil Governors. Please remember not to include any nuts on these creations! Please bring any cakes to the hall on Friday morning. There will be a small prize for the winners in each category. Cakes will be sold at the end of the day to raise money for the Young Minds charity which supports children with their mental health. The #HelloYellow campaign marks World Mental Health Day which is also in October.

During the day, there will be activities planned to find out more about how these values are so important to being good citizens. The children will be in mixed key stage groups for the day and so will get to work with different children. Chartwells have also produced a special menu for the day based on our theme. A copy of this is attached to the letter.

Following this day of activities, we would like to invite you to a presentation of our learning at 2.30pm in the Church. Feel free to also come dressed in the same way as your children if you wish!

We hope the children will very much enjoy their day with their range of activities.

If you have any questions about the day, please feel free to speak to your child's teacher.

Yours sincerely,

Mrs Winchester
