Year 1 and 2's Visitor

On Thursday 10th of October, Mental World Health Day, Year 1 and 2 had a visit from Nurse Suzy. She spoke to us about keeping our bodies healthy and also about what the parts of the body do.

She was very impressed by the knowledge we have gained this term about the body during our topic

'Heads, Shoulders, Knees and Toes'. She

showed us a gown that a patient would wear in hospital. We also

had a go at bandaging each others arms.

Thank you for visiting us!

Year 5 and 6 Newhaven Fort Trip

Year 5 and 6 will be going on their Newhaven Fort trip on Wednesday 23rd October.

Please return your permission slip and payment to the office at your earliest convenience.

Alternatively, you can speak to Miss Dutton in the office if you need to.

Please note that you can now use ParentPay to pay for the trip. Please get your codes from the office.

Headteacher's Awards have been awarded to the following children:

Sophia Watton-Hall for writing a fantastic letter using formal language and a range of punctuation.

Ewan Adams for writing a fantastic, well-structured letter with lots of detail.

Reception

Reception will begin celebrating their Learning Powers in assembly from Term 2.

Delilah

I am an Inspector Ingenious because I thought outside the box when I put a bandage on to Connor.

Jack

Jack is a Christian Champion because he is respectful and still in the church. He always sets a good example.

Reuben

I think I am a Growth Mindset Hero because I worked out how to use the bus stop method of division.

Eco Warriors

The new eco group has been assembled and the eco boards updated!

Now the hard work begins.

The children will be encouraging recycling and saving energy plus looking after garden area.

Please remember our crisp packet recycling scheme - if your child has packed lunch please encourage them to pop their crisp packet in and also please bring them in from home.

The crisp packet box is in the hall but you are welcome to also drop them off in to the office.

Wellbeing

We share a new wellbeing poster with you in the weekly newsletter. This week's poster highlights to us that exercise has lots of benefits, not just physically, but mentally too.

What are the benefits of exercise on physical health?

What are the benefits of exercise on mental health?

Year 3 and 4 Terrible Tudors Trip

On Friday 4th October, we went on a school trip to a theatre and watched a show about the Tudors, it was very good.

First, we got into our seats and watched a shadow of an axe go across a big screen. When it started three people said that we were going to learn about the Tudors but in a fun way. We all got ready for some fun.

Some stuff was scary, the most scary was when the picture of Mary Queen of Scots painting came out of the wall and her face turned into a skeleton there was also a song about King Henry the eighth and a frying pan and food. After that, we had lunch and then went back to school on a coach.

World Mental Health Day 2019

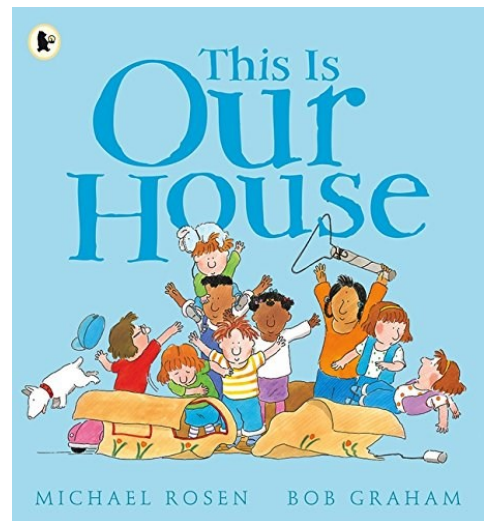

Reception

In Reception, we read the story of 'The Mood Hoover' and we talked about our different feelings. We then used different materials to create feeling faces to help us think about how we should be feeling.

Year 1 and 2

In Year 1 and 2, after the assembly about Mental Health day, we read the story 'This is our House' by Micheal Rosen. We discussed how the characters in story were feeling because of the actions of others. Then we discussed respect and if we showed other people respect then they would not be made to feel this way.

Year 3 and 4

On World Mental Health Day, the year 3 and 4 class read a poem together called "Healthy inside and out with Unique the Unicorn". The poem is about two best friends, Unique the Unicorn and Rarity the rabbit, who enjoy spending lots of time together.

In the poem however, Rarity is feeling a little down so she turns to her best friend for some help. Unique offered lots of advice to Rarity as to how she can look after herself better.

At the end of the day, the class were asked to think about how they can both help themselves and others to make everyone's lives happier. The children wrote their thoughts on 'Helpful Hearts' to help them remember how important it is to take care of ourselves and those around us.

Year 5 and 6

In assembly, we talked about what happens when feelings of sadness, anxiety and anger get too big. The children came up with ideas to help when someone is finding things too hard. They came up with lots of ideas including exercise, talking to someone, eating healthily, mindful breathing, reading a book, thinking of a happy place. The peer mediators and playground pals stood up to remind the children they can help when needed.

In Year 5 and 6, we watched a really interesting film made by other Year 6 children about sharing our worries when they get too big:

https://www.youtube.com/watch?v=oz1S66_pYTw

We all have different feelings every day, they come and go.

Nursery News

This week in Nursery, our story has been 'We're Going on a Bear Hunt'. We will be looking at this story over the next two weeks and we will be working with the children to see if they can recall, act out and order events of the story.

During circle time, we have been looking at our colour of the week and talking about what objects are green. Emily said "peas" and Jack said "grass." The children have also been learning facts about polar bears, such as: their habitat, the colour of their fur, and their diet.

The children used cotton wool, pva glue and white paint fingerprints to create their own polar bear art work.

In messy play, we explored with shaving foam with wooden shape blocks, using the shaving foam to stick the blocks together like bricks. We also had pasta out in the tough spot with diggers and cars, and rainbow rice with puzzle pieces hidden inside.

Reading Strategies

We have re-designed the strategies we teach to the children to enable them to decode words effectively when reading at any level.

Each strategy has a character to help the children to remember the different methods they can use to make sense of the word they are reading.

Please use these at home when reading with your child and ask them about the strategies.

Dear Parents and Carers,

Pioneer Federation British Values Day - Friday 18th October 2019

On Friday 18th October we will be holding a 'British Values Day'. At East Hoathly Primary School, we believe it is every school's responsibility to promote the fundamental British values of **democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.** We will be taking part in lots of activities to find out more about these values during the day

To make this day even more enjoyable, we are encouraging children to come to school dressed in the British colours of **RED, WHITE and BLUE.**

There will also be an 'East Hoathly Great British Bake off', where children and adults can make cakes and bring to school to be judged by the Pupil Governors. Please remember not to include any nuts on these creations! Please bring any cakes to the hall on Friday morning. There will be a small prize for the winners in each category. Cakes will be sold at the end of the day to raise money for the Young Minds charity which supports children with their mental health. The #HelloYellow campaign marks World Mental Health Day which is also in October.

During the day, there will be activities planned to find out more about how these values are so important to being good citizens. The children will be in mixed key stage groups for the day and so will get to work with different children. Chartwells have also produced a special menu for the day based on our theme. A copy of this is attached to the letter.

Following this day of activities, we would like to invite you to a presentation of our learning at 2.30pm in the Church. Feel free to also come dressed in the same way as your children if you wish!

We hope the children will very much enjoy their day with their range of activities.

If you have any questions about the day, please feel free to speak to your child's teacher.

Yours sincerely,

Mrs Winchester
Humanities Co-ordinator
