Odd Sock Day

On Tuesday 12th November, the children took part in 'Odd Sock Day'. This event was created to be celebrated during Anti Bullying Week and is a very creative way to show how unique everyone is and how it is okay that we are all different. The children clearly had a fun time choosing which socks they would wear. There are some very interesting pairings!

In total, we managed to raise £33 for the Anti Bullying Alliance. Well done everyone and thank you for donating!

Book Tokens

The Sun is offering primary schools in England, Wales and Northern Ireland the chance to claim a set of free Collins Big Cat books for schools worth over £600.

How long is the promotion running for?

Collect 3,500 tokens printed daily in The Sun from Saturday, November 23 2019 - Saturday, January 18 2020.

Please drop the tokens you collect into the office.

Mince Pie Race

Mr Procter has, once again, signed himself up to run the Mince Pie 10 Mile race with Chair of Governors, Alan Brundle and Mrs Fry.

Parents can sponsor the trio's run and any money given will be put towards buying fun new playground equipment for the children.

If you would like to sponsor them, please drop your sponsorship money into the office.

Wellbeing

This week's poster gives you tips on how you can help your child manage their worries more effectively.

WORRY TIME FOR CHILDREN

Often worries can be uncontrollable and excessive and can interfere with a child completing daily activities. Worry time is a strategy which can help your child to feel in control and manage their worries more effectively. Follow the steps below which you can practice with your child.

- 1. PLAN**
Choose a daily time and place with your child to worry. Think about the length that your child would like to worry for (20mins). Make sure the location is comfortable, quiet and relaxing.
- 2. WRITE**
When your child experiences worries during the day make sure they write it down in a notepad or on a piece of paper. Make them aware that they will have time later to think about the worry.
- 3. REFOCUS**
When your child experiences the worry, work with them to come up with strategies that will help them focus on what they are doing in the present moment. Help them to pay attention to what they were doing before they started worrying.
- 4. PROACTIVE**
If your child is struggling to stay in the present moment, help them to think of practical, fun and pleasurable activities that they could engage in.
- 5. TIME**
Before worry time begins make sure your child is comfortable and happy with the location that you chose.
- 6. WORRIES**
When worry time occurs, make sure your child is only worrying about the things which they noted down. In worry time your child can speak to you about their worries and work with you to problem solve some of them. If your child is no longer experiencing the same worry, just tell them to cross it off their list. Once worry time has finished come up with a method to get rid of the worries (E.g crossing them all out).
- 7. PRACTICE**
Worry time takes practice. It is important that you take time with it and support your child with the process.

Late Night Shopping Event

We are, again, starting our festive season with a joint East Hoathly and Chiddingly performance at the Late Night Shopping Event in Uckfield.

The event is on **Friday 6th December** and our performance time slot this year is **17.40-17.50pm**.

The event is open to children from all classes, but children must attend the Wednesday lunchtime choir practice in order to take part. If your child would like to take part, please remind them to attend choir club at school with Miss Lewis this term.

In Nursery this week, we read 'One Mole Digging A Hole'. The children worked hard at recognising the numbers throughout the book and were able to tell us what number comes next. "What number comes after 3?" "4." said Joseph. Sorrel even noticed there are rhyming words "Verity, carrots and parrots rhyme." she said. Next week's book is 'Something Beginning with Blue.'

The children have been learning about the four seasons and the changes that happen outside. The children can now talk about the leaves changing colours and falling on the ground during Autumn. During Spring, the children have learnt that plants and flowers start to grow.

Our art work this week was inspired by Remembrance Day. We watched a short video on Cbeebies about Remembrance Day and looked at photographs of poppies and real medals that were brought in. This has helped the children to understand about this special day and create some beautiful artwork. They made poppy straws, coloured in poppy wreaths and designed their own medals using a variety of materials such as pens, pencils, glue, glitter and tissue paper.

Dates for the Diary

- Friday 22/11—Festive Dress Day
- Monday 25/11—Parents' Evening
- Friday 29/11—Christmas Fair
- Monday 2/12—Christmas Panto
- Tuesday 3/12—Wellbeing Day

Reminders

As the weather has taken a chilly turn, please ensure your child has a hat, scarf and gloves with them so they can stay warm while in the outdoor environment.

If your child is starting Reception next year please make sure that you have completed your admissions form by the **Wednesday 15th January**.

On Monday 25th November, we will be holding a Parents' Evening from 4-5pm. Parents have the chance to look through their child's learning journeys and see what progress they have made this term. We hope to see you there!
