Harry's Holiday Club

Due to the success of my October holiday club, I will be running the event again throughout February half term.

The club will be held in Chiddingly school hall from Monday 17th February - Friday 21st February.

I will provide a range of fun packed sport and creative arts and craft activities throughout each day. I will be sending out some leaflets with a list of prices and additional information. Children will need to be provided with a packed lunch and plenty to drink.

Throughout the holiday club I will be running a small tuck shop for the children to buy a few cheaply priced snacks if they so wish.

If you require any extra information please don't hesitate to contact me through email; Harrysholiday-club@gmail.com.

Ollie - Reception

I am good at learning.

Alex - Year 1

I am a Professor Brain because I did really good maths about shapes.

Luke - Year 4

I'm Professor Brain because I am trying hard to read lots of books.

Laila - Year 6

I think I am a Growth Mindset Hero because I don't give up when I'm running so that I can get better at it!

Reception's Motorbike Visitor

Reception started their new topic with a very noisy visitor! On Tuesday they were greeted with a loud horn and the revving engine of a motorbike!

The children looked at and even got to try on all of the safety equipment and clothes that bike riders wear, including a helmet and jacket and talked about the safety features such as padding and non-slip sections.

Then, was the best bit of the whole morning, they got to inspect the motorbike, we counted the number of lights, looked at the numbers and letters on the number plate and then found the warning horn! Some of the children were brave enough to sit on the motorbike and make the engine roar.

Kallie says "I liked going on the bike and the noisy beeping, the jacket has got special pads in to keep Mitchell safe and stop him from getting hurt."

Recommended Reads

My name is: Juliet Stirrat

The book I am recommending is: *Little Bears Friend*

This book is suitable for age(s):

4-5 6-7 8-9 10-11 12+

I recommend this book because:

This may be an old book (now out of print?) but it is a beautiful story about friendship, perfect for emerging readers.

It has lovely illustrations by Maurice Sendak, simple vocabulary and sentence structures, and is broken into shorter chapters, so is not too daunting.

There are other stories in the series, but this is my favourite!

Wellbeing

We share a new wellbeing poster with you in the weekly newsletter. This week's poster shows us how what can learn from our mistakes.

10

LESSONS WE CAN LEARN FROM OUR MISTAKES

REFLECTION

Mistakes teach us about what went well and what did not go so well. They allow us to use reflection as a positive learning experience

RESILIENCE

Mistakes teach us about the importance of hard work. They teach us to never ever give up

RESPONSIBILITY

Mistakes teach us about becoming responsible for our actions.

PROBLEM SOLVING

Mistakes teach us about the importance of problem solving. They teach us about how to think more effectively to overcome obstacles

PERSPECTIVE

Mistakes allow us to view situations from a different perspective

COPING

Mistakes teach us about how we cope in certain situations. They help us to prepare more effectively when in similar scenarios

PLANNING

Mistakes teach us about organisation and planning. They help us to understand how to improve for the next time

OBSTACLES

Mistakes teach us about how to overcome obstacles. They help us to evaluate and analyse situations from a new perspective

TEAMWORK

Mistakes can help to teach us about the importance of teamwork and support.

KNOWLEDGE

Mistakes teach us about the importance of learning and continual development to improve skills
