

Annual Report

Thank you all for coming tonight. At the beginning of the school year we welcomed some new members in to the FPTA which has been lovely having them on board. One of our first events for the year was the halloween movie night put on for the children. The children watched Hotel Transylvania and fun was had by all. We have chosen not to renew the cinema licence as uptake was getting less and less.

Karaoke and a gin night was our next event, a fun night was had by those who attended although the uptake wasn't what we had expected.

At Christmas we put on the Christmas fair which went really well and made lots of money for the FPTA. Everyone was assigned their stalls and that worked really well and didn't all fall onto one or two people.

Wreath making was a busy event and made a good amount for little outlay, local Christmas tree vendors donated all their offcuts and we had plenty of ribbon etc left over from previous years. Father Christmas visited the children in the last week of the Christmas term delivering chocolate packs donated by the FPTA.

The pants company came in and performed Jack in the Beanstalk for the children and they loved it. We used a new company this year and they were much better than last year.

In the latter part of 2019 and early 2020 the FPTA funded the swimming lessons and travel for years 3 through 6. The children enjoyed and flourished with the lessons.

The DVDs from the performances were well received and made plenty of money for tiger outlay.

In the new year we donated £150 pounds per class into their class gift fund where they could choose to spend on what they needed.

The last donation from the FPTA was the Easter eggs just before school closed down due to Covid. Unfortunately we weren't able to put on a few events this year, the main one being the Fun Run which in previous years was a fabulous day had by all. The projected intake from it looking at previous years was set to be a good one.

In May we funded a new P.E. kit for the children to wear when at tournaments, we hope to see them in them soon.

Leavers hoodies were funded and looked great on the children.

Let's hope we can get back into the swing of things soon and raise some more money to help the children's education.
