

Reception Class Curriculum Letter Term 6

'Splash!'

Dear Parents,

We hope you've had an enjoyable half term and are ready for the last term in Reception, before moving to Year 1!

This term, we are going to enjoy a water-filled, fun learning journey. We will be enjoying finding out about how essential water is, where it comes from, what we need it for and how we can look after our water sources. Our journey will begin with some pirate fun including a pirate day!

Our key texts this term will be:

Areas of Learning:

Literacy - We will be continuing to focus on using high frequency words in our writing as well as spelling words with more than one syllable. Also we will be writing our own stories based on the texts we are reading, as well as looking closely at the characters, settings and events of the stories we are sharing. Another skill we will develop is giving opinions and views about stories we have shared.

Maths - In Maths, we will be solving problems that ask us to apply all of the skills we have learnt so far. As well as this, we will be continuing to develop our knowledge of number, practising doubling and halving as well as recognising and ordering 2 digit numbers and learning about money and time, comparing and estimating. We will begin thinking about multiples and using 2s, 5s and 10s through money.

In other areas of the EYFS, we will be making links with our water theme, such as learning about things that float and sink and why this happens. Our Personal, Social and Emotional Development will begin to focus on our transition to Year 1 and we will be taking part in lots of activities which make us more familiar with the children in the class already, as well as exploring our new surroundings and routines, ready for September. The key to a successful transition to Year 1 is when children feel that this will be a positive experience and we aim to fully support them in this process. If you have any questions about this, please do not hesitate to ask.

Home Learning

We would like to thank you all for your effort with last term's home learning tasks including reading with your children.

Reading - Letters and Sounds	Please read with your child regularly, even if it is a home or library book. At this stage it is really helpful to discuss the stories that you read and use story language such as, character, setting, beginning, middle and end. Also, encourage your child to predict the ending of the story and give their opinion of the texts that they read. Please record their ideas either in their reading record or their home learning books, or on 'WOW slips'.
------------------------------	---

Splashing Home Challenges!

If you want to further your learning at home, you might like to try one or more of these challenges:

- ✚ Paint a picture or make a collage of an under the sea image. What can you see under the sea?
- ✚ Design your own pirate ship or pirate flag.
- ✚ Write your own pirate or sea creature themed stories.
- ✚ Create your own amazing lunch and design a menu for your family. Take photos of your meal to share with your friends.

- ✚ Use Lego or another construction kit to build an amazing ship or boat.
- ✚ With an adult's help, find some objects around your house and test to see whether they float or sink when you put them in water. See if you can predict first what you think will happen and then see if you were right!

Trips and Events

During this term we are planning a visit to the seaside and aquarium, a letter will be coming out shortly with more information. We will also be hosting a Seaside day towards the end of term, where the children can come into school dressed as a pirate or a sea-themed character. This will be on Monday 19th July and further information will be shared closer to the time.

Forest School

This term, we have forest school on Wednesday afternoons, starting in week 2. The children need to bring into school a full change of clothes that is appropriate to wear in the forest, field and to get muddy. Children need a change of shoes, long sleeve top/trousers, as the woodland can be cooler even in hot weather, a hat and a jacket as the weather can be unpredictable.

If you are able to help out or support with forest school please let Miss Denney know.

Websites and Links

- www.ictgames.co.uk and www.topmarks.co.uk for Literacy and Maths games.
- www.phonicsplay.co.uk Phase 3, 4 and 5 games, blending sounds and words.
- www.mymaths.co.uk - Maths Games
- If you wish to make learning games to have fun at home, you can print from www.twinkl.co.uk and browse the EYFS Reception section.

Quick Reminders

- Please can you make sure your child brings in a water bottle and their book bag each day.
- Our PE days are Thursday but PE kits should be in all week.
- Sunhats are essential in the warmer weather when we are outside for longer periods of time. We are not permitted to apply sun cream to any child, so children must have it applied before they come to school.

We hope you all have a lovely final term supporting the children in their Early Years learning. Please do not hesitate to come and speak to us if necessary.

Thank you for your support,

Miss Denney
