Notices

If your child is due to go on a trip or take part in an activity that you need to pay for on ParentPay, please make sure you also return the permission slip to school.

As the sun comes out more and temperatures rise, please ensure your child comes to school with a water bottle, sunhat and suncream that they can apply themselves.

Church Fete

Just a reminder that Miss Lewis is looking for some singers for the Church Fete on Saturday 17th July.

If your child would like to join and is free on Saturday between 12.30 and 2.30pm, then sign a slip and hand it into the school office.

We look forward to hearing from you!

FPTA Raffle Tickets

Please make sure you return your raffle tickets to the FPTA or school office by Tuesday 20th July in time for the draw on Wednesday 21st July.

Should you wish to buy more raffle tickets, please contact the school office.

Macmillan Coffee Morning

Freya and India (Year 5) came to see Miss Lewis this week with a plan! They have decided they would like to raise money for a cancer charity. They met with Miss Lewis to discuss options and they have decided to run a Macmillan Coffee Morning. This will be completely organised by Freya and India and their team of helpers and will be held on **Friday 24th September**. Look out for more information early next term - and get those baking skills ready as they will be asking for cake donations to sell too!

Well done to Freya and India - it's really wonderful to see you so passionate about a cause!

Term 6 Key Dates

Jul 2021

13/7—Rec 2021—Teddy Bears' Picnic
2-3pm

14/7—FGB Meeting

14/7—Summer Production 1.30pm

14/7—Summer Production 6pm

16/7—Reports out to parents

16/7—Owls' Branching Out Trip

17/7—Church Fete

20/7—Parent Consultations—reports only

22/7—Leavers' Service—9.30am

22/7—End of Term 6

23/7—INSET Day

Letters

Please make a note of the following letters that have been sent home and need a reply. The due date for each reply is in brackets:

Owls: Summer production (asap)

Owls' Patina

On Friday 2nd July, the Year 5 and 6 children of Owl Class took part in the Moving On Patina Parade in Lewes.

Every year, the parade is held as a 'right of passage' for the children leaving Primary School that year. Due to the restrictions lifting slightly this year, the parade was able to go ahead.

Over the past few weeks, artists and parent helpers have been popping into school to help the children create amazing structures for the parade from willow. What started out as a few sticks and tissue paper soon turned into a work of art!

This year's theme was a woodland theme and the children were excited to find out that their animal was a fox!

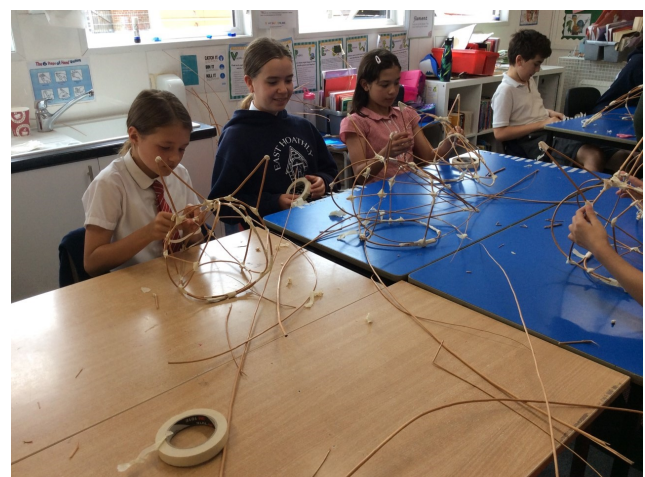

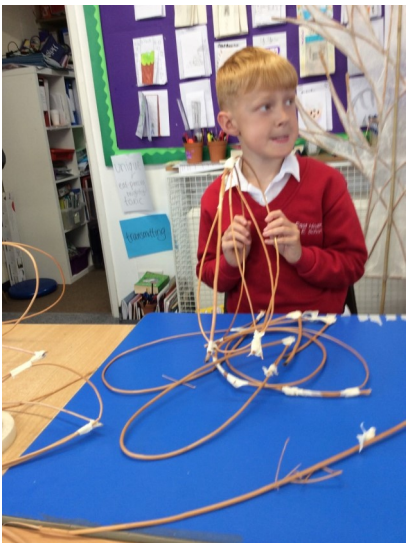

The Owls created a headpiece, a tail and wristbands in the style of a fox and they also created a branch to go onto the Patina Wish Tree. The branch was decorated with the children's wishes for the future.

Thank you to the parents who used their time to come in and help the Owls with their structures!

Thank you to the parents who ferried the children to and from the Patina Parade!

Thank you to the artists for their time and expertise!

Thank you and well done to Owl Class, who pledged to do chores around the house, in order to raise money for Patina. You raised an impressive total of £190! Incredible!

Hedgehogs' Hastings Trip

On Tuesday, the Hedgehogs went on a very exciting minibus journey, for their very first East Hoathly trip, all the way to Hastings to visit the aquarium as a part of their topic.

The children explored the aquarium, finding lots of different undersea animals - Charlie's favourite was the octopus!

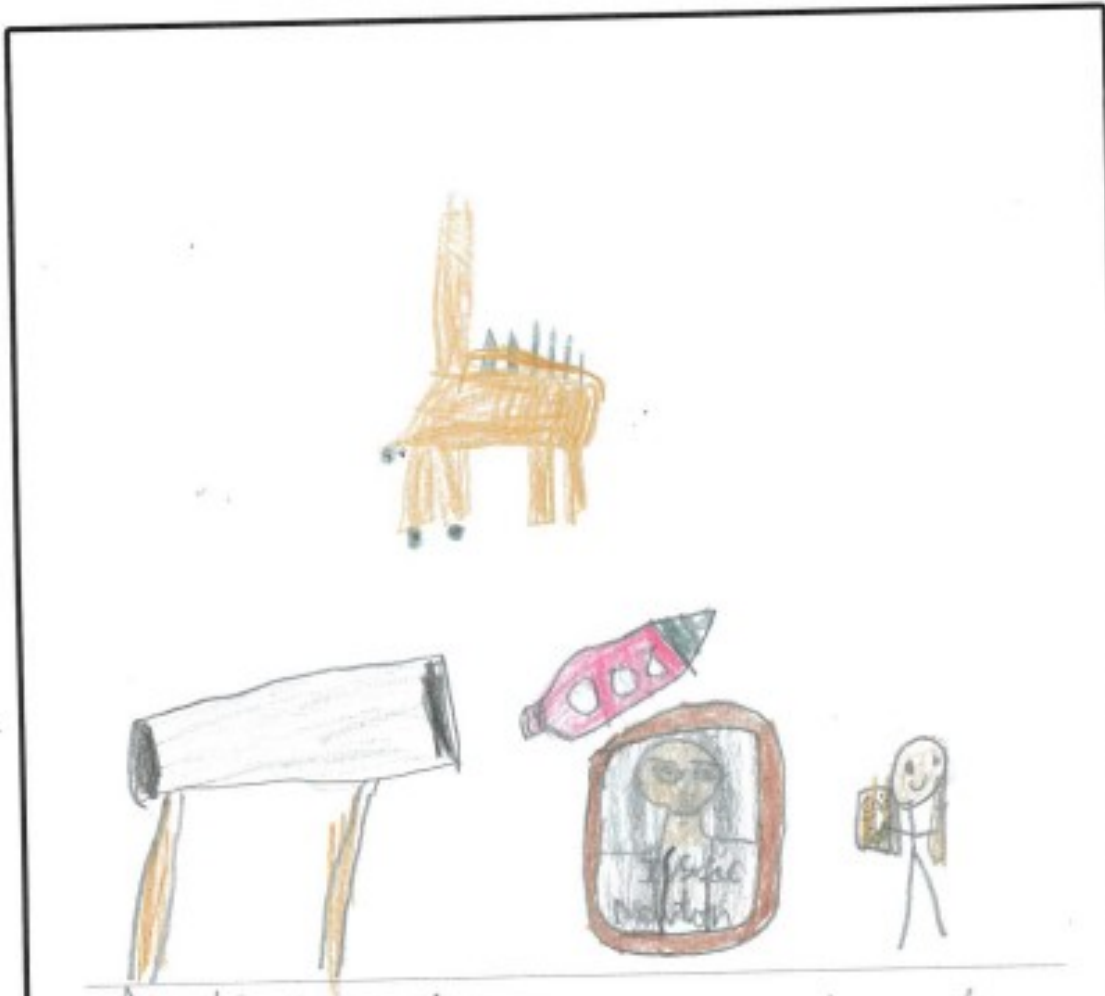

The weather held out for the Hedgehogs and they were able to have a dry—if very windy—picnic lunch on the beach. The children enjoyed their lunch looking out to the sea and managed to keep hold of their hats on the beach!

After lunch, the children visited the RNLI Lifeboat Centre, where a man called Andy showed the Hedgehogs all of the different boats they have and they even got to see a bulldozer!

Weary after their day of exploring, the Hedgehogs were so happy to jump on board for a bonus trip on the train to get the all-important ice cream!

Thank you so much to the FPTA and to the parent helpers who enabled this trip to go ahead. The children loved their day out!

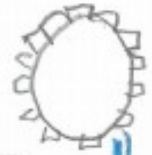

At Herstmonceux observatory
I got surprised when the
big rockets went up because
it made a big bang!

we learnt about
Isaac Newton and

I got a card that said

coins in the science show, Mum
sat on the chair of doom. ✓

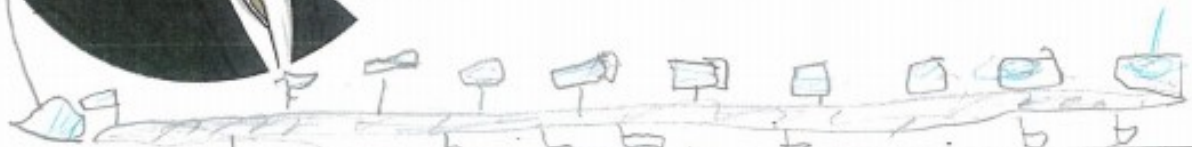

Yesterday, on the 7th of July I went to Herstmonceux some of my favourite things were...

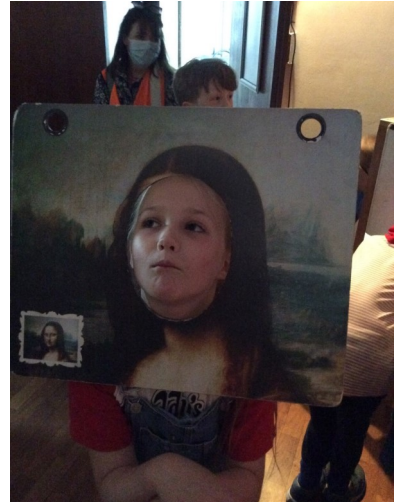

• The water cycle (in the water park) was the most fun you had to try and keep the water flowing by spinning a wheel, pushing a filter and spinning a water carrying screw.

• The discovery park had one particularly fun part the balance

Forest School

Hedgehogs enjoyed a fun filled forest school this week by exploring the pond and venturing down to the forest. Miss Denney was amazed at how the children's confidence in climbing has grown within the whole class - they all managed to climb up and along the dinosaur tree! Well done Hedgehogs!

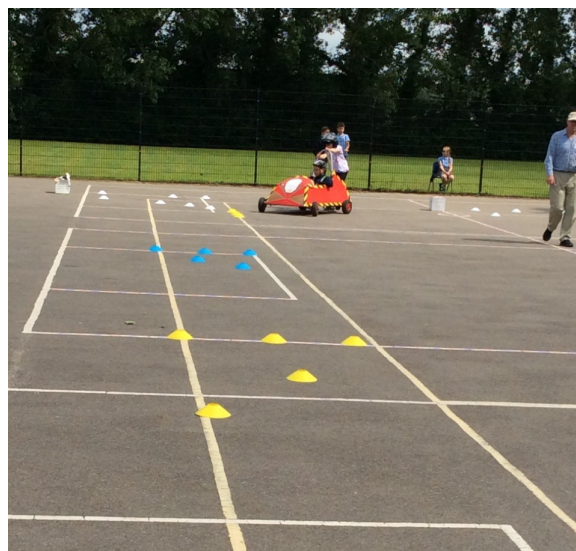

Year 6 Go Kart

On Friday 9th July, Year 6 Owls started their school day at Chiddingly Primary School to take part in an inter-Federation Grand Prix!

The Owls raced the Year 6 Sycamore children in different races, such as the straight races, laps and the circuit race (where they had to weave in and out of cones).

The children worked hard as a team and even though East Hoathly won the straight races, they were pipped to the post for the laps and the circuit races! Well done Chiddingly!

Well done to the Year 6 Owls for trying your best and working as a team! What a great way to show the values of love and strength!

Learning Powers

This week, the Learning Powers certificates go to...

Squirrels

All of the children in Squirrel Class have received their learning powers!

Well done!

Foxes

This week, Samuel has shown the value of...

Owls

All of the children in Owl Class have received their learning powers!

Well done!

Lunchtime Awards

Lunchtime awards now include Champion Tables for each bubble. Congratulations and well done to:

Hedgehog and Owl Bubble

Alfie Beech

Gummy Bears

Squirrel and Fox Bubble

Beatrice Mackmin

Jelly Beans

Pen Licences

There haven't been any pen licences awarded this week, but keep practising everyone!

Headteacher's Awards

This week, the Headteacher's Awards go to:

Archie Gray for his incredible science work when talking about Sir Isaac Newton. Archie told us about Newton's Third Law "for every action, there is an equal and opposite reaction."

Well done Archie!
