# NEWSLETTER

ISSUE 2 FRIDAY 17TH SEPTEMBER 2021

Dear East Hoathly Families,

As another successful week comes to a close, the children have been reflecting on some of the learning they have already succeeded in this term. It has been wonderful to see how well the children have engaged in their topics and they have clearly been really enjoying getting stuck in to their learning.

Nursery have been enjoying some lovely activities this week - especially doing some Forest School on Wednesday (look out for some photos of their fun later on in the newsletter!).

We also had our first group of Worship Leaders on Monday this week - well done to Freya, Beatrice, Stan and India for being brave and going first! We look forward to see some more children developing their speaking and leaderships skills through our Worship Works course this term.

Thank you, as always, for your support. Please do make an appointment to see a member of staff if you have any worries, or speak to us on the playground.

Miss Lewis

## Joint Strategic Needs Assessment

The local authority (LA) and health partners wanted to know what was going well for children and young people with SEND, and their families, and what could be improved.

The Joint Strategic Needs Assessment (JSNA) is a process that identifies the health and wellbeing needs of the people, communities and populations in East

Sussex. It reviews current provision and makes recommendations for improvements.

The SEND JSNA was undertaken between September 2020 and May 2021 with input from public health, the local authority, the NHS Clinical Commissioning Group, East Sussex Parent Carer Forum (ESPCF) and community voluntary sector partners. This SEND JSNA is published here: <http://www.eastsussexjsna.org.uk/comprehensive>

Thank you to the many stakeholders who contributed their views to the SEND JSNA, including 725 parent/carers, ESPCF, many practitioners in education, health, social care, and the community voluntary sector. The LA will now work with these partners, including schools and settings, to take the SEND JSNA recommendations forward through the SEND Strategy 2022-24 and the Local Area SEND Inspection Self Evaluation Framework.

The JSNA is a long document containing valuable feedback and information across education, health and social care; the executive summary on pages 7-11 is a helpful way into the rest of the document.

## Macmillan Coffee Morning

Freya and India (Year 5) have decided to run a Macmillan Coffee Morning.

This will be completely organised by Freya and India and their team of helpers and will be held on **Friday 24th September**.

We would be grateful for any donations of cake, cookies or any other sweet treats. If you are able to donate items, please bring them to the school office prior to the event. We are aiming to raise £200 for this worthy cause. If you are able to help us to reach our goal, you could do so by donating through our Just Giving page - [www.justgiving.com/fundraising/ehcoffeemorning](http://www.justgiving.com/fundraising/ehcoffeemorning)

Alternatively, we will be shaking money boxes for donations on the day!

Hand sanitising stations will be available around the playground and field and we ask that you are considerate of social distancing guidance.

We are really excited to be organising and running our first in-school charity event for Macmillan. We would like to thank you in advance for your kind donations.

Well done to Freya and India - it's really wonderful to see you so passionate about a cause!
