ISSUE 21 FRIDAY 22ND APRIL 2022

Dear East Hoathly Families,

Welcome back. We hope you all enjoyed a peaceful (and chocolate-filled!) Easter Break. The children have come back to school fully ready to learn this term and have thrown themselves into their new topics! There has been some super learning going on already and I look forward to seeing where the rest of the term takes us!

It is a busy one this term, with assessment season beginning later in the term as Year 6 take their SATs tests. We are so proud of how hard they have worked and how they have supported each other. We also have an exciting end of term event with a combined Sports Day and Jubilee celebration. Look out for more information about that coming soon!

With the slight rise in temperature and more regular appearance of the sun comes lots of feelings of positivity and hope- Spring has definitely 'sprung' and we are all feeling very grateful for the warmer days and lighter evenings! Enjoy it while it lasts!

Have a lovely weekend

Miss Lewis

# NEWS FROM...

# MALAWI

## Whatsapp updates from Malawi:

In standard 8 today, there was a lesson basing on fashionable dressing. In the lesson, learners were asked to present themselves in the best accoutre that would display the disparity between indigenous and reinvigorate this new age's dress codes. See the photos that we captured today...

One of the things I just learnt today is that, when the learners present themselves at school in the dress code that is not allowed, it boosts their self-esteem and it's really sweet to see them happy. You know it's a strong challenge teaching someone who is not happy.

# Starfish Malawi★ ★

Yesterday the man from starfish Malawi taught us about our differences from Malawi and other countries then we did a quiz guessing what other people said about England and what they think it's like.

Then we learnt about water and how much the earth is covered with and how much is drinkable then how much percentage of your body is made out of water. We then did a quiz of which country the children were talking about and me and my group thought Brazil but it turns out they were talking about England!
