# NEWSLETTER

ISSUE 25 FRIDAY 24TH JUNE 2022

Dear East Hoathly Families,

It has been a week of true generosity! The Y6 children in charge of the fundraiser for NSPCC raised a fantastic £114 which will go to help children in need across the country - thank you to everyone who was able to contribute. Charlie and Joseph (Year 4) did some jobs and chores outside of school and have donated the funds to Starfish Malawi. The fantastic FPTA team raised an incredible amount for the school at the Fun Run on Sunday too!

These events and moments really show our school value of Love in action. Thank you so much to everyone for demonstrating such generosity and kindness.

Have a lovely weekend

Miss Lewis

## Lockdown Practice

Please read the letter attached to this newsletter about the lockdown practice due to take place on Friday 1st July.

Please be rest assured that this is conducted in a manner to make the children feel as safe as possible and will be explained to them before and after the practice. Some parents may decide to talk to their children about this at home before Friday.

## Fun Run

A big thank you and well done to everyone that took part in our Family Fun Run on Sunday. The rain held off for a fantastic day! Our Pioneer Staff team ran brilliantly and our Pioneer Caretaker, Mr Gray, endured the heat in fancy dress to raise funds to add artificial grass to the Nursery outside area. He has raised, so far, an amazing £265! If you would still like to sponsor Mr Gray, please visit:

Well done to Danny (Year 5) for finishing 2nd in the 5k with a super speedy time of 0:24:08 and Paddy (Year 4) for finishing in 4th place in a impressive 0:27:13. Well done!

Thank you to our amazing FPTA for all their hard work in organising an incredible day!

## Fundraising

Joseph and Charlie from Foxes Class have raised an incredible £56 for Starfish Malawi by volunteering to do lots of activities and chores such as watering plants and mowing the lawn. You have both brilliantly shown our school value of Love and we are all super proud of you!

Well done Joseph & Charlie!

## Cricket

On Monday 13<sup>th</sup> June we had a visit from Kayleigh at Sussex Cricket, she ran workshops for all the children across the school, sharing fantastic cricket games and skills.

Hedgehogs thought "It was great, we had to turn up the cones before the others and we played the caterpillar game—we did lots of running".

## Squirrels Class

Squirrels have been investigating animal species. We left an egg in vinegar and observed (and felt) it over several days to get an idea of what a reptile's egg feels like. We found out that it is not only soft, but that it bounces!

## Awe & Wonder Day

This week for Awe & Wonder Day we learnt all about the NSPCC Stay Safe Programme.

Squirrels Class learnt about keeping safe and made their very own worry monsters!

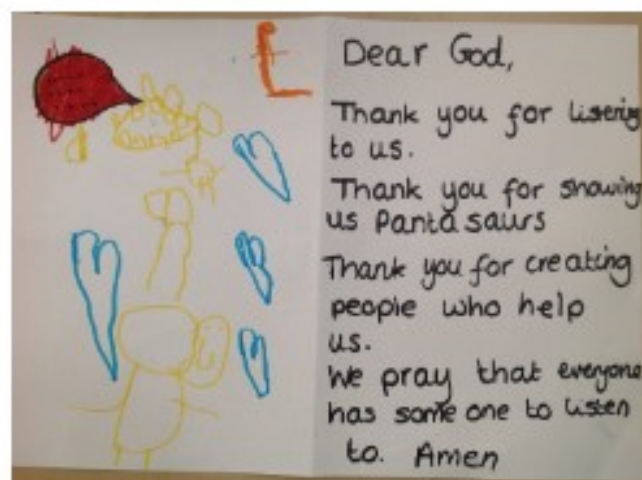

## Hedgehogs Class

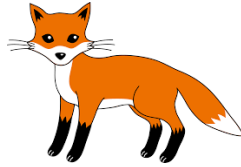

Hedgehogs learnt all about 'Pantasarus' and the pants rule. We made some pants and wrote what we could say on the back... NO! We also thought about speaking out and the people we could speak to. Some of us made our own 'Speak Out bubble buddy' and 'Pantasarus puppets'.

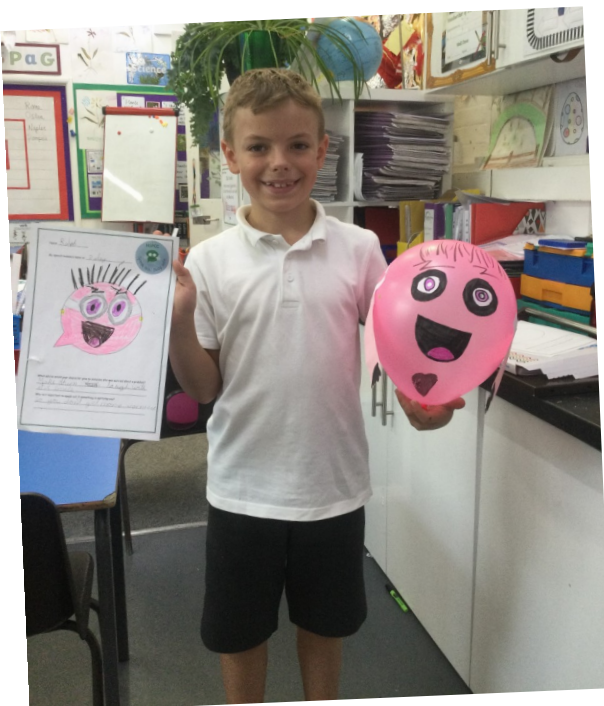

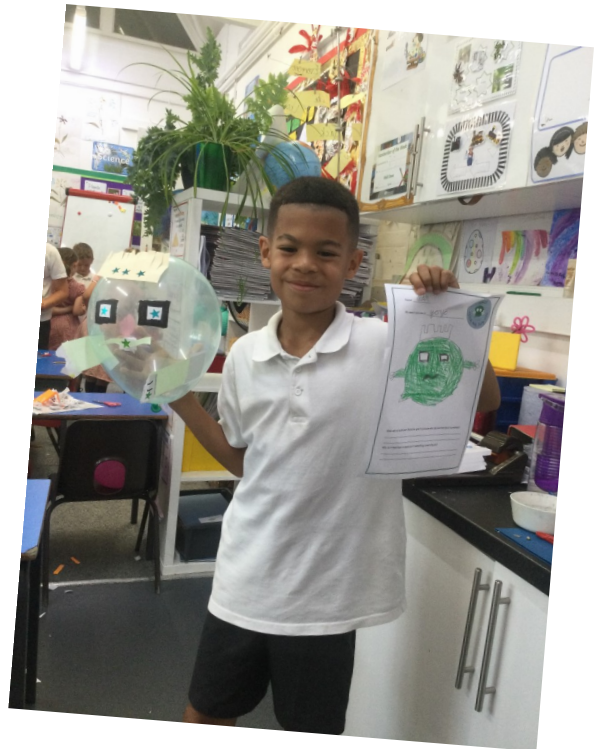

After thinking about all the things we can do and people we trust, we thought about places that are safe spaces and how we can be calm and reflective in them. We wrote a class prayer to show how thankful we are.

## Foxes Class

For Awe and Wonder Day, Foxes Class created a speech bubble for the NSPCC 'Speak Out Stay Safe' campaign. The children considered what advice their character could give to someone who needed help and support. Also, the class made a 'Mental First Aid Kit' to assist children who were in need of some positive distractions.

## Owls Class

In Owls Class we had great fun creating our own dolls houses. We each created somewhere we felt safe!

In forest school this week, Hedgehogs Class noticed lots of changes in the woodland from our last visit. We created our own music and even had a go at walking along the monkey bridge Miss Roberts put up for us. We ALL MADE IT ACROSS!! Even Mrs Whythe and Mrs Burns had a go.

Wren says "We liked it, I was really good at going on the monkey line".

# CLASS+ Parent Coffee and Chat

This session is designed to support parents/ carers who have an autistic child or are on the autism pathway.

Part of this coffee and chat will focus around the theme of **transition** for autistic children.

This includes year to year transitions as well as school to school. This session will share ideas, advice, top tips and key information to support transition.

The venues for the live coffee and chats this term:

**CHIDDINGLY PRIMARY SCHOOL      JULY 1ST 9:00-10:30 AM**

Pioneer Federation are looking to recruit new Foundation Governors. Please visit our [website](#) and get in touch.

### **The Governing Board – Foundation Governors**

Incredibly rewarding and important work that could make all the difference to the local church school and community (taken from Chichester Diocese website).

#### **A governance team is a community of people who care.**

If you have a passion for education and improving outcomes for children, then becoming a church school governor could be a perfect fit. Governors are there to ensure that all pupils receive a high standard of education and high-level of support for their well-being, enabling every individual child and young person to reach their full potential.

The role will give you an increased understanding of the challenges young people face today and your actions on a governance team could lead to impactful changes.

#### **Board Role**

The Department of Education identifies three key roles for an effective School Governing Board:

- Ensuring clarity of vision, ethos and strategic direction.
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff.
- Overseeing the financial performance of the organisation and making sure its money is well spent.

### **Foundation Governors (church school governors)**

Officially appointed by the Diocese (but generally identified by the school or church), the Chichester Diocese makes the following observations:

- You do not need to be a parent or carer from the school. Being a school governor is about positively contributing to and supporting your school community, making it a role available to anyone.
- There are no qualifications needed! Our church schools need governors that have had a wide variety of life and professional experience, rather than specific degrees or qualifications. A wide array of skills are desirable on a governance team, but ultimately your local church school needs someone who cares about its children, staff and future.
- Foundation governors make a particular contribution to the effectiveness of our schools through supporting and developing the Christian vision and distinctiveness of the school, building a Growing Partnership with the local Church(es) in the parish as well as offering support and proper challenge to school leaders. Commitment to the church and a Christian faith are therefore, essential.
- Age is just a number! You do not need to be a retiree to work on a school governing body. If you are aged 18 or over, you can become a school governor.
- There is a wide variety of training available. You don't need to have experience or an understanding of the education system, the diocese Education Team are here to support, offering training, and advice covering a wide range of aspects of governance and leadership in Church schools.
