As a staff team we are very proud of all the children at East Hoathly and their individual achievements this year, and we hope you enjoyed reading their reports and sharing their successes.

We hope you all have a restful and fun summer holiday and we look forward to welcoming you back to school on Monday 5<sup>th</sup> September.

Mrs Whythe

## School Games Mark Award

We are delighted to announce that East Hoathly and Chiddingly Schools have achieved the School Games SILVER LEVEL Mark Award for the 2021/22 academic year. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward and recognise school's engagement (provision and uptake) in the School Games against a national benchmark and to celebrate keeping young people active, and we are delighted to have been recognised for our success.

We are extremely proud of our pupils for their dedication to all aspects of physical activity and school sport, including those young volunteers, leaders and officials who made our events possible. We are committed to using the School Games to try and engage those young people who haven't previously been active or represented our school and to try and ensure that all our students have a positive experience and want to try out new activities beyond school too in our community.

We believe in the power of physical activity and school sport as a school and give opportunities to those young people that need it most either as a participant, leader, official or volunteer. As part of our application, we were asked to fulfil criteria in the areas linked to the five School Games outcomes and we are pleased that the hard work of everyone at our school has been rewarded this year.

## News from Nursery

Our Nursery Team would like to bid farewell to our Nursery leavers.

We all had a wonderful time at our leavers party last week!

We wish you all the best of luck in your new adventure of starting school and we look forward to seeing lots of you in Hedgehogs Class in September!

Have a lovely summer!

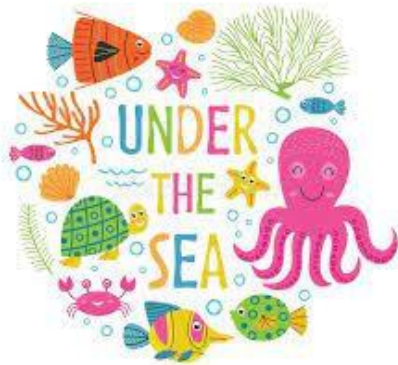

The Nursery Team

## Hedgehogs Under the Sea Day

On Thursday Hedgehogs had a fantastic under the sea day. It was brilliant to see the creative costumes they came in. During the day they learnt how to speak like pirates, cooked their very own 'Hardtack Pirate Snacks' and had lots of fun splashing in the paddling pool.

## Hedgehogs Forest School

Hedgehogs had a fantastic visit to the community garden this term, where they harvested the vegetables, they planted in the autumn. They then got to take them home and share them with their families.

## Squirrels Class

### Battle of Hastings

Squirrels Class have been learning about the battle of Hastings this term. We created our own shields and were very excited to take part in a our very own re-enactment of the Battle of Hastings!

# Squirrels Class

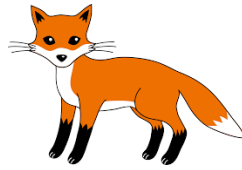

## Park Trip

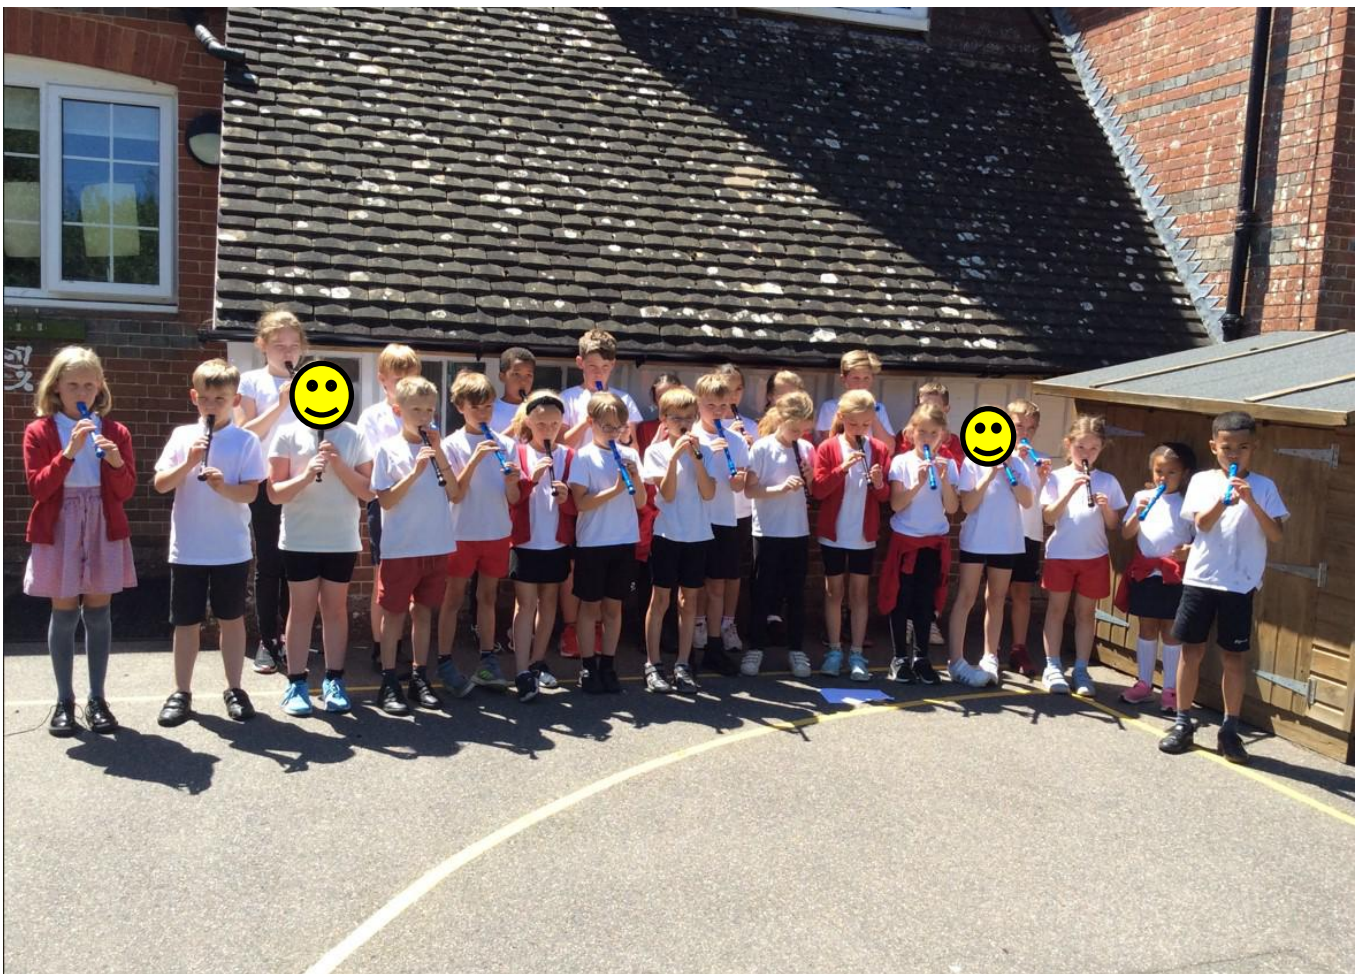

Squirrels Class have earned their whole class reward this term by showing great teamwork and all of the school values. We voted for a trip to East Hoathly Park as our reward. Squirrels Class had a great time at the park and also enjoyed an ice lolly treat. Well done Squirrels Class for all your hard work in earning this reward!

## Foxes Class

Foxes Class have been busy learning the recorder this term. They have been learning 'Mary had a little lamb' and have been practicing really hard. Well done Foxes!

## Owls Class Earth Day at Bedes

Owls Class visited Bedes School for Earth Day, where a group of local schools came together to focus their attention on our relationship with planet Earth. It was a day dedicated to considering how people and the planet can live together more sustainably. This was a pupil-led initiative and was planned and coordinated by the Bede's Senior Eco-Schools Group. They wanted to share this day with a number of other local schools in recognition that the celebration of and care for the planet is something that we all have in common. It will require us to sometimes come together for joint action, rather than tackling as individual schools. It is hoped that this might be the beginning of further joint events as partner schools.

As part of Earth day they took part in a world record attempt of having the largest number of people creating a map of the world. The image has now been submitted to Guinness World Records. The previous record was 479 people, 816 people took part in our record attempt!

# Birmingham Common Wealth Games

## Workshops

Over this term all classes have taken part in a Common Wealth Games Festival, Year 5 leaders set up different challenges from the festival pack and then ran mini workshops for the other classes. The festivals encouraged the children to be active, work as a team, resilience and fun! Ned commented "It was great to have some responsibility of leading" and Jake noticed how it got children even more active. What a great activity!

## Football Tournament

On the 20th June all the Pioneer Federation schools took part in a Football Tournament hosted at Park Mead. A big well done to our Year 5/6 team for taking part. Congratulations to Danny who won 'Player of the Tournament'

A big well done also to Pearl who impressed everyone with her fantastic goal keeping skills!

## Netball Event

On Friday 1<sup>st</sup> July East Hoathly and Chiddingly took part in a mini netball tournament hosted here at East Hoathly. The Netball team grew in confidence throughout the afternoon and although the final score wasn't as we hoped, we were incredibly proud of how hard the children tried.

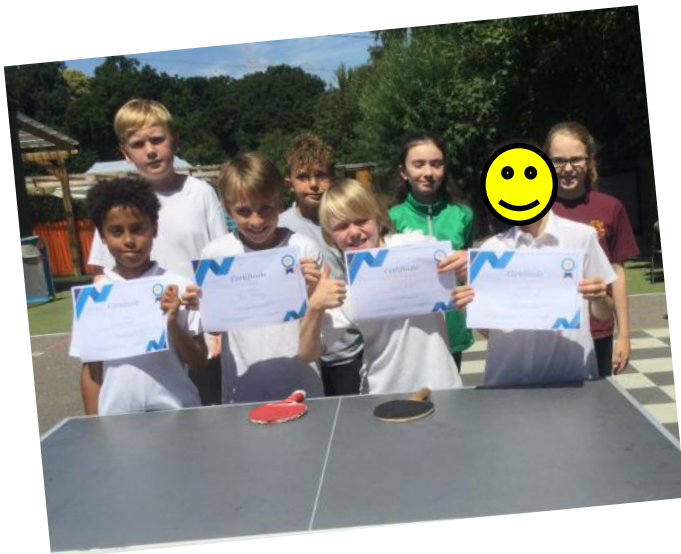

## Table Tennis Tournament

On Friday 15th July, East Hoathly and Park Mead took part in a mini table tennis tournament hosted here at East Hoathly. Our whole team did fantastically well. Well done to Aaron for finishing in 1st place and Jack S for finishing in 2nd.

Indy from Park Mead said: "it was fun taking part"

Evie from Park Mead said: "I enjoyed playing against another school"

## Owls Class

### Activity Week

Unfortunately our residential trip this year had to be cancelled. But instead Owls Class took part in a week of very exciting activities. They visited Chiddingly to take part in a 'Hands on History Viking Day' followed by an inflatable assault course. The next day taking this to the next level they then visited Bewl Water, where they took on the challenge of an assault course on water in their Aqua Park!

Owls then took part in a Laser Challenge followed by camping on the school field. Finally on the last day they took the bus to Uckfield, where they enjoyed a private screening of a film at The Picture House, followed by a pizza picnic in the park.

A big thank you to Miss Williams and the Federation Team for all their hard work in making this possible! What an incredible week!

## Year 6 Leavers Service

Our Year 6 leavers attended a the Diocese of Chichester Year 6 Leavers' Service for all Church of England Primary schools at All Saints Church in Crowborough.

During the service, the children sang with the other schools and listened to a short bible message by a member of the Diocese of Chichester.

It was a lovely occasion to reflect back on the children's 7 years of primary school and look forward to their new adventures as they move on to secondary school.

We are phenomenally proud of our Class of 2022, we miss you all immensely and wish you all the best in your new schools.
