### Roles In bullying

Can you design the school's Anti-bullying policy? You could make a poster or a leaflet. Ensure that you make it child friendly.

**Why Will You get bullied?**

The bully might be jealous of you or you could be smarter than them.

Owls and foxes looked at the child friendly anti-bullying policy and considered the different sections with in it. Then we had a go at creating our own child friendly anti-bullying poster or policy. Above is Myla's (Year 5), she considered the do's and don'ts of bullying and also who you ask for help if you need it.

In Squirrels class for anti-bullying week , we thought about how some-one might feel if they were being bullied. Next, we thought about how we could be kind and caring friends.
