What Do You Know About Bullying?

Bullying is hurting someone on purpose, over and over again.

It can happen face to face with actions or with words, or it can happen online through a phone, tablet or computer.

What is Bullying?

Remember, bullying is hurting someone on purpose, over and over again. It is not when an unkind thing happens only once.

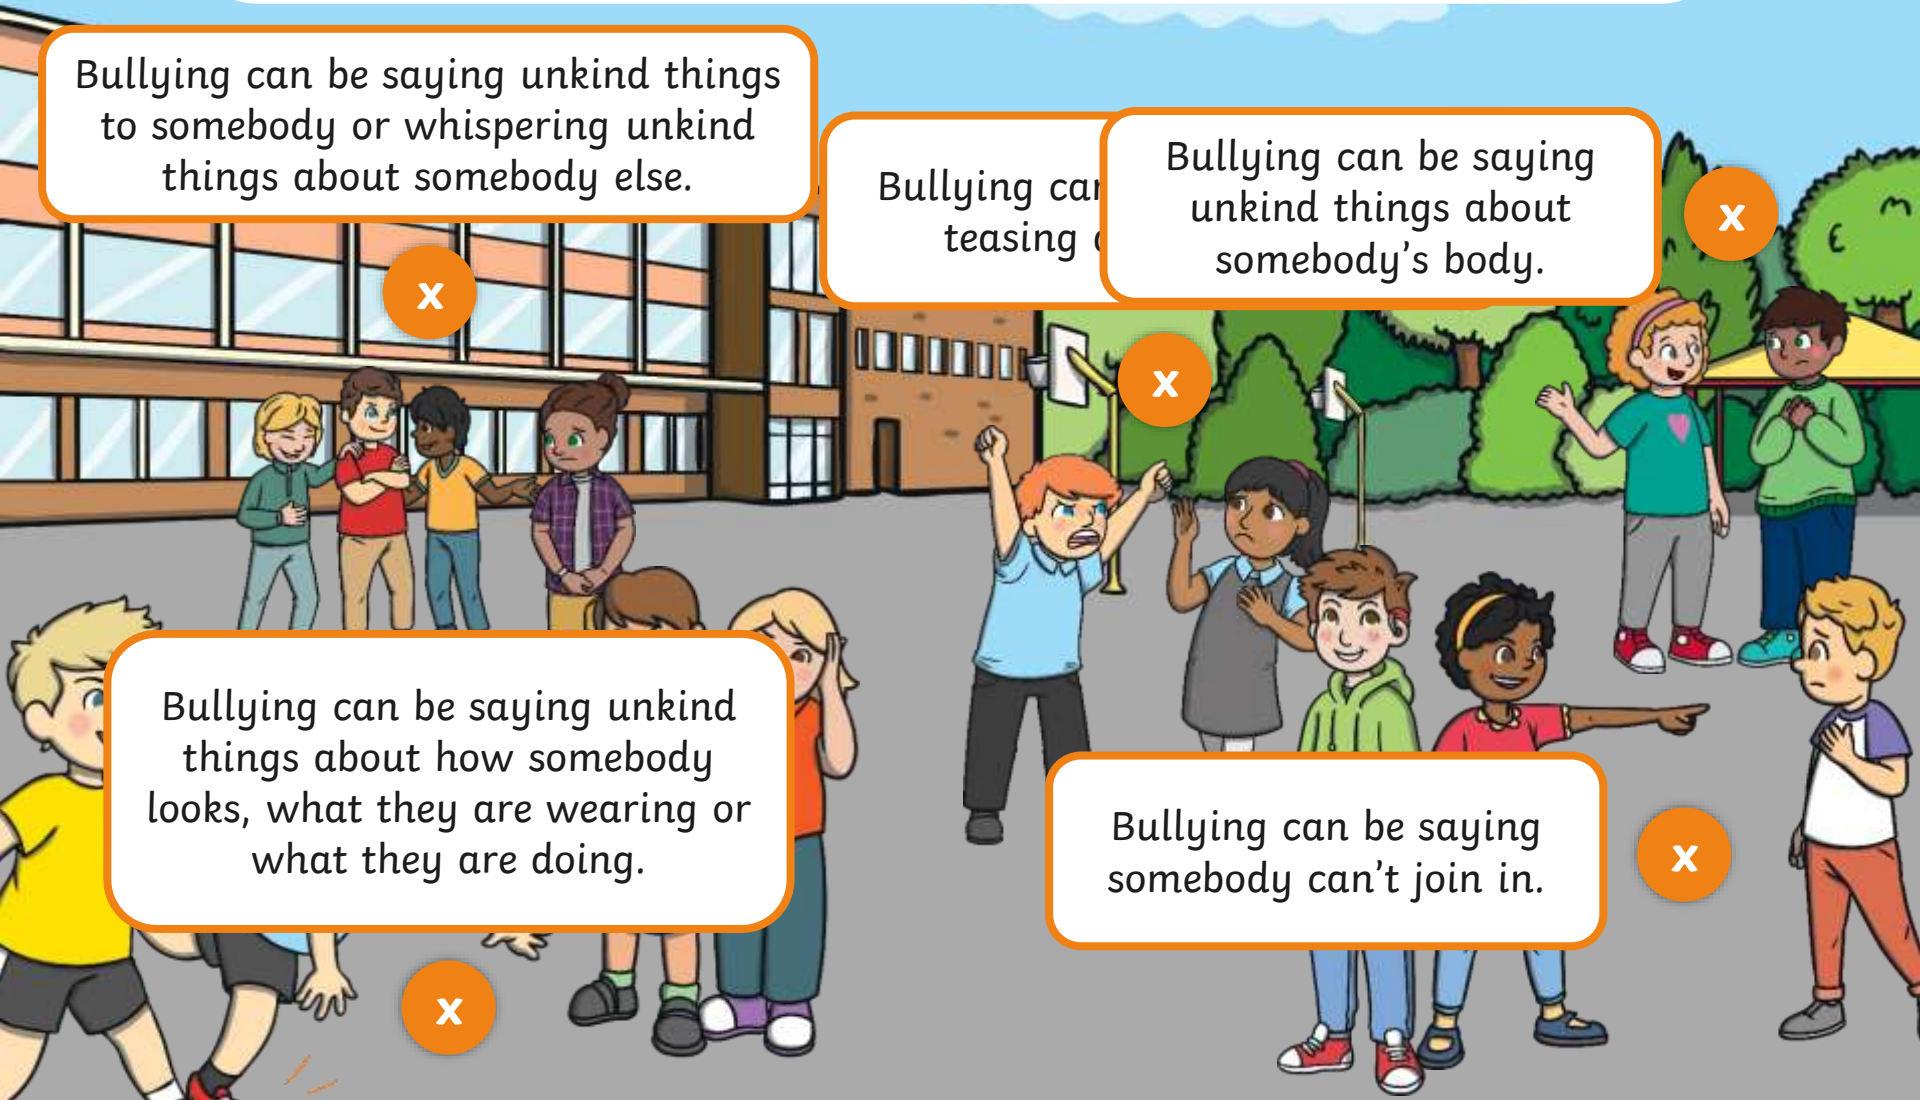

Bullying can be saying unkind things to somebody or whispering unkind things about somebody else.

Bullying can be teasing or

Bullying can be saying unkind things about somebody's body.

Bullying can be saying unkind things about how somebody looks, what they are wearing or what they are doing.

Bullying can be saying somebody can't join in.

Different Kinds of Bullying

Physical bullying

Verbal bullying

Social bullying

Cyber Bullying

All kinds of bullying are NOT OKAY!

Why Does Bullying Happen?

Bullying sometimes happens because we are all **different**.

Bullies might be jealous of someone else's talents.

Bullies might be jealous of other friendships.

Bullies might feel angry or bad about themselves.

Bullies might have been bullied or might not understand what bullying is.

What Is Anti-Bullying Week?

It is an annual event that is held every November.

It is an event that takes place in schools.

It aims to raise awareness of bullying.

Anti-Bullying Week 2022

In 2022, Anti-Bullying Week is 14th - 18th November.

The theme this year is:

Reach Out

Let's come together and reach out to stop bullying.

Remember

Bullying affects many people. It can make us feel hopeless and sad. But we don't have to suffer in silence.

If we can reach out to each other to talk about what's happening, we can help to stop bullying.

It's never OK to bully people because they are different. Wearing odd socks for Anti-Bullying Week is a way of showing that it's OK to be different.

What Should You Do If You Are Getting Bullied?

**Tell
someone!**

There is always someone
that can help.

**Be a
friendly
face!**

Even if it's not you being bullied, help
other people around you. Ask if they
are OK or if they need something.

Reach Out

What do you think this year's theme, Reach Out, means?

Many people who have been affected by bullying are left feeling lonely, but it doesn't have to be this way. If we challenge it, we can change it.

Reach out to someone you trust if you need to talk.
Reach out to someone you know is being bullied.
Whether it's in school, at home, in the community or online, let's reach out and show each other the support we need.

Together, let's reach out and be the change we want to see.

True or False?

You can tell somebody is a bully just by looking at them.

False

If you are a bully, you will always be a bully.

False

Bullies make people feel upset.

True

Nobody should be bullied because they are different.

True

Father God,

Open our hearts to show love and respect
for the school community and the world.
We will show a helping hand for others in
our work, play and all that we do.

Amen
