What happens in Fairy-tale Land?

Reception Term 4

Dear Parents,

Welcome back! We really hope you have had a wonderful half-term holiday.

We will be starting this term by sharing our half-term news and we cannot wait to find out what the children have been up to! Our topic this term is 'Once upon a time'. We will be spending time learning about castles, knights, kings and queens. As part of this topic, we will look at non-fiction books and will be writing letters, posters and invitations. We are also planning on enjoying a Royal Banquet with our friends.

Some of the texts we will be looking at are:

Home Learning

As per last term, home activities will continue to come home on a Friday, and any completed work needs to be handed in by the Wednesday. Thank you to those families who have completed some pieces of home learning, these have made a wonderful addition to the children's learning journeys! Activities which come home this term will be along the lines of the following:

Reading	<p>As per last term, your child will bring one Little Wandle book home for an entire week and they will also be given the opportunity to take one to two other books home. We do encourage them to change this book, when it has been read either at home or at school.</p> <p>Please read with your child regularly, even if it is just for 5 minutes. It is really important that the children bring their book bags, yellow reading record and their reading book into school every day.</p> <p>When reading with your child, please acknowledge the fact that the book has been read by signing and dating in the comments book, or you may like to add a positive or helpful comment in the reading diary.</p> <p>The sounds we are reviewing, as well as the tricky words we are focussing on will be attached to the weekly home activity sheet.</p>
Writing	<p>The children will continue to practice their letter formation. We will be continuing encourage the children to become more independent writers. They are really developing their ability to write in a phonetically plausible way (i.e. I am a reellee good rightr) and it is essential that they are not corrected, but are encouraged to write in as many contexts as possible such as writing shopping lists, labels, cards to family member etc.</p>

Maths	The most important thing for children in their reception year is that they can read, write, order and recognise numbers to 20. Please encourage the children to count their toys when playing and try to write and use numbers when appropriate at home.
