Communication in the most part. ✓ Sense of community, older years looking after the younger years, outdoor learning ✓ Happy environment ✓ The small and close-knit community feel ✓ Kindness and understanding 				
How do you feel your child/children flourish at East Hoathly:	<ul style="list-style-type: none"> ✓ He is so happy to attend school. ✓ Lots of support where needed 				

	<ul style="list-style-type: none"> ✓ By being heard! From teachers to TA to Headteacher and even Bev the cook, the all round experience of school can be turned very quickly to disastrous if children aren't understood My children feel safe and even when their day isn't going so well they know they are not "naughty" they rethink: regroup and given the opportunity to make good instead of isolated and not taught what is appropriate ✓ Concerns that disruption In The class negatively impacts this. ✓ Confidence and independence, opportunities for forest school, swimming, bikeability, plays, challenges like 99 club, lexia ✓ If they are supported and helped ✓ She is always happy to attend and has progressed really well ✓ Well- she is given the opportunity to share her interests and be friends with everyone. ✓ Attentive staff
How do you feel the vision and values are embedded at East Hoathly:	<ul style="list-style-type: none"> ✓ Excellent ✓ With certificates and posters around the school ✓ Well with the assembly and awards for children and when discussing their behaviour. ✓ Assembly, the different roles the children can take on e.g re Council, different year groups interacting to care about and work together. Threaded through the curriculum and the expectations and consequences with Steps thing. ✓ Yes there's lots of talk about this <p>Clearly in the classroom as well as with praise, recognition and rewards as well as assemblies where they are recognised and embraced.</p>
Do you feel the school is inclusive of all needs:	<ul style="list-style-type: none"> ✓ Yes ✓ Yes ✓ Yes and no, it has improved alot but sometimes those children with needs don't get recognised for their small achievements and the same as those children who are generally ok at school they get missed too ✓ Not all children eat fruit so to have a blanket rule at snack time of only fruit can be hard for those children who just need a snack to regroup and get on with the next part of their day, maybe fruit/veg or crackers/rice cakes- these are given in nursery? ✓ Good that boundaries have been reinforced this needs and no children are taking advantage of the systems in place

<p>Any other comments that you would like to make? What we could we improve?</p>	<ul style="list-style-type: none"> ✓ Generally a huge huge improvement in 6 weeks so congratulations and long May it continue! ✓ I'm really looking forward to seeing how the school continues to improve over the next few months. It's been a really positive first term. ✓ Really like the notes nursery were doing before at the end of the day to summarise how the day had gone. Not sure why these stopped but found them helpful in lieu of an app such as tapestry ✓ This is a lovely little village school. ✓ The school has ensured that the areas behind shed etc have been blocked off. ✓ Losing childrens equipment or childrens items is accidental of course but can have a huge impact on how they feel about school/teachers/how important they are and when a solution isn't found we as parents have to pick up the pieces. ✓ Something that I've heard other parents talk about and then wondered myself is us having control of our own school lunches? Not having an outside company and employ Bev to be the schools cook ✓ Breakfast club and more variety of after school clubs would love to see- art club, homework club, or even a general afterschool club with tea included ✓ More involvement for parents- breakfast morning- maybe the FPTA could do a breakfast morning for parents ✓ Bring your dad/father figure to school day/afternoon- do playground games/maths challenges etc ✓ It would be great to see more school trips ✓ Can there be before school clubs?
