

## Staff Guide to Reading books at East Hoathly CE School

### Reading Tracking -

All classes should have this tracking in their reading folder and children should move from Little Wandle Phonic phases to book bands and then free reads. The free reads are also progressive. The progression document of sounds and information is on display in the library and should be in your reading file.

East Hoathly Reading tracking Sheet														
(Please date when pupils move through the reading stages)														
Child's Name	EYFS/ KS1 Phonic Reading Books (Group Reads)				Free Reading Book Bands (Individual Readers)				Free Readers (Individual Reads)					
	Phase 2 LW	Phase 3 LW	Phase 4 LW	Phase 5 LW	Purple (Y2)	Gold	White	Lime	Pearl	Sapphire	Emerald	Amethyst	Diamond	Ruby

### Little Wandle Books

These are phonic phase books from phase 2-5. These are used for group reading linked to phonic learning. Children have 1 book for the week and read this 3 times. Adults choose these books with the children.

These are phonic phase books from phase 2-5. Children can choose the correct phase as a supplementary book to their LW group read book.

### Individual Reading Books

These are banded books for children who are past phase 5 phonics. **These children no longer need a group read book** and should have 2 or 3 of these books.

These are progressive free reader books. Children who are reading beyond Lime should read these in order.

Please be mindful of age appropriateness for KS1 HA readers.
