

Let's Celebrate!

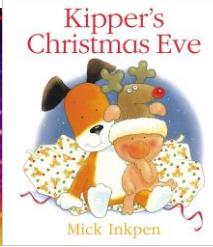

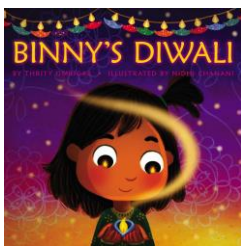

Dear Parents,

Welcome back, we hope you all had a lovely half term! This term we will be spending time looking at how we celebrate different winter festivals such as birthdays, Diwali, November 5th (Bonfire Night) and Christmas. We will be remembering times when we have celebrated events and we will be talking about the past including remembrance.

The boxes below briefly explain the areas we will be looking at and some of the work we will be doing which will be incorporated through play and teacher focused activities. As part of this topic, we will begin to look at non-fiction books and will be writing letters, lists and recipes.

Some of the texts we will be looking at are:

<p><u>Understanding of the World</u> Light and Dark Different celebrations such as Birthdays, Remembrance, Bonfire Night, Diwali and Christmas around the world Firework science experiment Finding out about the past Exploring seasons</p>	<p><u>Personal, Social and Emotional Development</u> Safety and rules in different situations Working and creating role play together Remembrance Being thankful</p>	<p><u>Expressive Art & Design</u> Firework art Making poppies Making Diwali puppets Diva lamps Cooking cakes/biscuits Christmas craft Cards & Decorations</p>

Home Learning

I would like to thank you all for your effort with last term's home learning tasks including reading with your children. The children have already made great progress with learning sounds and every read will help this to become more secure.

Reading	Your child will bring a book home each week. It is essential that this is returned each day as we will be using these books in reading sessions. Please do share this book with your child as often as you can. Initially, the books that you will share will not have any words in them. At this stage it is really helpful to encourage the children to use the pictures to tell stories. You may like to add a positive or helpful comment in the reading diary but please acknowledge that the book has been read by signing and dating in the comments section.
Little Wandle Letters & Sounds	The children will bring home the sounds they have been working on in the week. The children can practice these sounds by writing them, finding words that start with them and cutting pictures out of catalogues. It would be really useful to support the children in identifying these sounds when reading with them. If you need support in knowing the letter sounds please use the video clip recommended below.
Maths	The maths curriculum this term is focussed around full mastery of numbers to 5, including number bonds and subitising to 5. The children will also be learning about 2D shapes and continuing repeating patterns.

Key questions to ask your child at home:

- **What do we celebrate?**
- **Why does the world get dark?**
- **Who do we remember?**

Quick Reminders

- Please can you make sure your child brings in a named water bottle and book bag, with their reading journal and book, each day.
- Can the children please always have a named coat in school particularly as the British weather is unpredictable.
- On Wednesday 1st November will be attending forest school in the morning. The children will need to come dressed in their forest school kit on these mornings, with their school uniform in a bag.

We hope you all have a lovely second term supporting the children in their learning and can see how much they have learnt already. Please do not hesitate to come and speak to us if necessary.

Thank you for your support,

Miss Howes & Mrs Roberts
