

Owls Class – Term 6 Newsletter ‘Inside Out’

Dear Owls Class Families,

We hope you have had a good break and are ready for our final term together! Our topic for Term 6 is 'Changes' and we will be using the text 'There's a boy in the girl's bathroom' by Louis Sachar to support our learning. We will also be using the films 'Inside Out' and 'Inside Out 2' to help us with our writing and think more about our emotions as we transition into Year 6 and 7. We will also be very busy learning lines and choreography for our production of The Wizard of Oz to perform to you with Foxes class! Our residential is also coming up very fast and it is going to be an absolutely fantastic week.

Reading	Please read with your child at least three times a week at home and ensure that a record of this is logged on Boomreader. Year 6 should be reading at least 45 minutes per week and Year 5 for 30 minutes.			
Spellings	Spelling lists will no longer be sent home. We will do 2 spelling lessons a week in class and this may be followed up by a spelling pattern homework page, which will be set as part of the Grammar homework in their CGP books. Below are the spelling patterns/grammar that we will be learning this term:			
	The prefix 'sub-'	The suffix '-ation'	'-sh' and '-ch'	The rest of the term will be focused on individual spellings that need revision.
Times Tables	Each child has a Times Table Rockstars login and should be practising their tables (either on this website or in another way) three times a week at home.			

Helping to enrich our topics

It is always great to have items or visitors that support our topic, so if anyone has any experience or items that may help us with any of this term's theme it would enhance the children's learning.

Reminders – Please can you make sure your child brings in a water bottle each day with fresh water and ensure all jumpers are labelled. Our P.E. days are Mondays and Fridays – please send your child in in their P.E. kit on these days.

As always, many thanks for your continued support,

Miss Siggs and Mrs Twinn

'Changes' Learning Map – Term 6

Maths 	Units of measure Time 	Units of Measure Money 	Units of measure Mass and volume
