

Squirrels Newsletter Term 1 2026/2027

'The Great Fire of London'

Dear Squirrel Class Families,

Welcome back, I hope everybody had a great summer holidays. This term we will be starting our new topic of The Great Fire of London. We will begin the term looking at London and how it has changed through history and we will be looking at the events of the Great Fire and closely about how people lived at that time. We will also be looking at historical figures such as Samuel Pepys.

Some of the key texts we will be using for our learning are:

Questions to ask at home:

- When was the Great Fire of London?
- How is London different today than it was in that time?
- Why did the fire spread so quickly?
- What equipment is inside a fire engine?
- How would you call the fire brigade if you needed them?

Home Learning Tasks

You could have a go at some of these at home:

- Make some bread or cakes with your family, just like they would have done in the Pudding Lane Bakery.
- Find out about houses in 1666 – what caused them to catch fire so quickly? Were there any other reasons that the fire spread?
- Could you design your own fire engine using your own building materials at home? (lego, junk modelling, building blocks etc.) take a photo of your creations and let us see how you got on!

The learning map attached to this newsletter outlines the areas we will be learning about and some of the work we will be doing in teacher-focused activities and group work.

Useful information and reminders:

- Please can you make sure your child brings in a **water bottle** and their **book bag** each day.
- The children will need a **named coat or sun hat** depending on the weather.
- Our PE days are **Mondays and Wednesdays** so please send your child into school in their PE on these days. Please ensure this consists of shorts/trousers, t-shirt, jumper and trainers or plimsolls.

We hope you all have lovely term supporting the children in their learning.
