

# Support available to all families who live in East Sussex

January 2022  
Pre Autism Assessment Pathway Information

# How to use this document

Education, health and care services have worked with East Sussex Parent Carer Forum to create this document. We have brought the contact information for a range of support services together in one place, for common areas of concern you may have about your child's health and wellbeing as they grow up.

We hope this document will be helpful. This is not a criteria list for any specific need or condition, but if you are thinking about an assessment to understand your child's needs accessing this free, universal support first may resolve the concerns. If it does not, please speak with your school, GP or health visitor for further advice. East Sussex Parent Carer Forum and SENDIASS are also available for advice (please see contact details on page 4).

**Your child does not need a diagnosis or an Education Health and Care Plan to access the services in this document.** These services are open to you before, during and after an assessment of needs.

Areas of concern, such as 'behaviour', 'sleep' and 'worrying and anxiety' are listed alphabetically in this document. You will find them all listed on the contents page (page 3 of this document).

The first entry on the contents page is called 'universal support across the areas'; this is where you will find services who can support you in several different areas. It can be found on page 4 of this document.

## Contents

Universal support across the areas:.....	4
Accessing community .....	5
Attention and Concentration.....	5
Behaviour.....	6
Communication and Language .....	9
Difficult experiences (adversity) .....	11
Eating .....	12
Engagement in early years setting, school or college.....	14
Flexibility.....	15
Gender Identity .....	16
Health Conditions.....	17
Learning Difficulties.....	19
Managing Impulses.....	21
Mood and Enjoyment .....	22
Offending Behaviour .....	24
Personal, social and emotional development .....	24
Physical Development.....	26
Problem solving and managing stress.....	27
Relationships .....	28
Safety .....	29
Sensory Responses.....	31
Sexual and Sexualised Behaviour.....	33
Sleep .....	33
Using the toilet and personal hygiene .....	35
Worrying and anxiety .....	36

## Universal support across the areas:

**Amaze SENDIASS** advice line can listen, help clarify the issue, offer basic information and signpost to relevant services. [SENDIASS Advice Line](#) is open Monday to Friday, 9.30am to 2.30pm. Call 01273 772289.

**Amaze Face2Face** offers parent to parent befriending and support. [Face2Face Befriending](#)

**Amazing Futures** runs peer support groups for young people age 14+ [Amazing Futures](#)

**East Sussex Parent Carer Forum** works to ensure every parent carer in East Sussex feels that their voice, their views and their experiences matter and contribute towards developing and improving services. You can add your voice, share your views and find out more about us here <https://www.espcf.org.uk/>

**ISEND:** Inclusion Special Educational Needs and Disability (ISEND) services are available to support schools and settings to meet the additional needs of their pupils, so that they are meaningfully included and achieve well. If you have concerns about the progress your child is making, their attendance at school, or their wellbeing, speak with the SENCO at your child's school/setting and they can refer to an ISEND service as needed. Your child does not require a diagnosis or an EHCP to access ISEND services. More information can be found here [ISEND \(eastsussex.gov.uk\)](#) ISEND Facebook Page: <https://www.facebook.com/isendeastsussex/>

**Universally Available Provision:** this document sets out the provision that should be available to all children and young people so they can thrive in their setting; including maintained schools, academies, free schools, early years and Post-16 providers: [Universally Available Provision document](#). There is a section that provides guidance on the provision and strategies recommended to meet the needs of children and young people with SEND by the four areas of need as set out in the SEND Code of Practice.

**Child and Adolescent Mental Health Services (CAMHS):** provide children and young people's mental health services across Sussex. We help children and young people, their families and carers when someone is experiencing emotional well-being or mental health difficulties. We provide services across locations, such as GP surgeries, clinics, hospitals and schools, to support young people experiencing mental health conditions such as anxiety, depression, self-harm, eating disorders, obsessive compulsive disorder and psychosis. [Sussex CAMHS | Sussex Partnership NHS Foundation Trust](#) **Single Point of Advice Contact Details:** Telephone: **01323 464 222** Monday to Thursday 8.30am to 5pm and Friday 8.30am to 4.30pm. Email: [0-19.SPOA@eastsussex.gov.uk](mailto:0-19.SPOA@eastsussex.gov.uk) (contact form)

**IF YOU OR YOUR CHILD ARE IN IMMEDIATE DANGER CALL THE EMERGENCY SERVICES ON 999**
