

IMPORTANT ROADWORKS INFORMATION

15 November 2023

Arlington Road West, Hailsham

Dear Resident / Business owner,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this, we will be carrying out targeted patch repairs on Arlington Road West, Hailsham

Once completed, these works will help improve the condition of the road surface.

When do they start?

Work will take place on **Monday 4 December**. We will inform you of any changes to the dates or times via advanced warning signs on site.

What are we doing?

These works involve essential patching repair works to the carriageway.

How will this impact highway users?

The team will be working between the Michelham Priory Road junction and Arlington Stadium.

Arlington Road West will be closed to through traffic between 9:30am and 4pm.

Traffic will be diverted via Hailsham Bypass, A22 & Coldharbour Road & vice versa.

There are no plans for weekend working during these dates. If you need vehicle access, please discuss this with the team on site to see if this is possible. Please bear in mind there will be delays whilst the area is made safe, and your vehicle is escorted by site marshalls.

Information for residents and businesses

Parking: If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network.

For information on roadworks and journey planning, visit www.One.Network.com. Please follow us on X (formerly Twitter) [@escicroads](https://twitter.com/escicroads) or Facebook [@EastSussexHighways](https://www.facebook.com/EastSussexHighways) for updates.
