Dear Park Mead Families,

GDPR Privacy Notice and Consent

Please find attached the Pioneer Privacy Notice. Under GDPR guidelines, the school is required to gain your explicit consent on systems that the Pioneer Federation uses for data processing.

The systems we currently use are:

- Teachers to Parents – a messaging system to communicate with parents via text (names, classes, telephone numbers)
- ParentPay – a payment system used for parents to pay for school lunches (names, addresses, classes, emails, and telephone numbers), school events and school trips.
- Arbor – Schools Information Management System is used for storing various personal data on pupils and staff and to produce the school census (names, classes, emails, telephone numbers, addresses, ethnicity, medical/dietary information, date of birth, SEND, attendance, assessment).
- Medical Tracker – an online system that enables us to share medical information and to inform you if your child requires First Aid.
- Language Link and Speechlink – systems used to help with speech and language in the classroom (names, classes)
- Thrive – an online system for logging wellbeing sessions requires some pupil information (names, classes, age)
- Lexia – an educational website used for children to practise their grammar skills (names, classes)
- My Concern – a safeguarding electronic system (names, addresses, classes, emails, telephone numbers, medical information, date of birth)
- Purple Mash – an educational website used for children to practise their IT skills for a range of topics (names, classes)
- Chartwells – the catering company that provide school lunches require names and classes of children for administration purposes (names, classes)

Yours sincerely,

Mrs Heidi West
Head of School
