

# Acceptable Use of the Internet – Willows and Chestnuts

## The Agreement

**This agreement is intended to help our younger pupils understand:**

- How to stay safe while using the internet and other digital technologies for educational, personal and recreational use.
- That they must use school systems in a responsible way, to ensure that there is no risk to their own safety or to the safety and security of the systems and other users.

**This is how we stay safe when we use computers at school and at home:**

- I will ask an adult if I want to use the computers / devices and will only use it when they are with me;
- I will only use activities that an adult has told or allowed me to use;
- I will keep information about me safe;
- I will not share my password;
- I will be kind to others online when I am sending messages;
- I will ask for help from an adult if I am not sure what to do or if I think something has gone wrong;
- I will tell an adult if I see something that upsets me on the screen or if I am worried or unsure;
- I know that if I don't follow these rules I might not be allowed to use the computers / devices
